Out of

the Shadows Emily Midorikawa,2022-09-20 Queen Victoria's reign was an era of breathtaking social change but it did little to create a platform for women to express themselves But not so within the social sphere of the s since a mysterious lamp lit world on both sides of the Atlantic in which women who craved a public voice could hold their own Out of the Shadows tells the stories of the enterprising women whose supposedly clairvoyant gifts granted them fame fortune and most important influence as they crossed rigid boundaries of gender and class as easily as they passed between the realms of the living and the dead The Fox sisters inspired some of the era's best known political activists and set off a transatlantic s since craze While in the throes of a trance Emma Hardinge Britten delivered powerful speeches to crowds of thousands Victoria Woodhull claimed guidance from the spirit world as she took on the millionaires of Wall Street before becoming America's first female presidential candidate And Georgina Weldon narrowly escaped the asylum before becoming a celebrity campaigner against archaic lunacy laws Drawing on diaries letters and rarely seen memoirs and texts Emily Midorikawa illuminates a radical history of female influence that has been confined to the dark until now **Shadows on the Hudson**

interest to encounter and appreciate more of the female characters in scripture Again they seek to inspire imaginative approaches in preachers combining commentary and homiletic textbook **The Leah Shadow** Harold K. cross paths with chilling results in a suspenseful story of grief and obsession Beautifully written haunting Louise Douglas author of *The Secrets Between Us* Sarah Phillips longs for the simple life a job to fill her days a home to return to and a small amount of steps to count between the two Seriously injured in a car crash in her early teens Sarah has no memory of her childhood or the family she lost Ellie Wilson remembers her own past only too well the cruelty she suffered at the hands of a mother who abused her and a father who couldn't protect her She finds Sarah fascinating a mirror to the life she never had But as curiosity spills over into obsession and as Sarah's world begins to unravel Ellie moves ever closer **In the Shadows of Genesis: Exploring the Mysterious Heart of the Bible's First Book** Neal Aponte, Ph.D.,2021-05-21 We recognize the names beginning with Adam Eve Cain and Abel Their mythic lives and the commentaries about them are bedrock elements of Western civilization But what if we relinquished the halcyon ground of perceived wisdom and considered Martin Buber's instruction presented as an epigraph to this book to approach the text as something new letting the words of the Book of Genesis reach us Could we encounter the sacred heart of these mysterious stories as if for the first time **Roby's Moonlit Night** Christine Young,2021-10-23 Once she'd been a pampered child with high expectations for her future blessed with love Then she became an innocent pawn in a terrible game of greed and power Now with a noose around her neck Pippa was to hang before she had the chance to unveil the men who drove her from her home before she had the chance to live Roby McKenna was a man blessed with endless charm and wit While he searched for his eternal love across the Atlantic in a new land he would have to come home to find her His silver blue eyes could sparkle with amusement or harden to steel gray with displeasure He had all the women a man could want or need As he grew older mistresses were not enough A quirk of fate brought him to the gallows a spark of destiny made him claim the condemned Pippa as his bride **Made for Houston** Christine Young,2022-03-13 Leah Kennedy is as wary of people as she is strikingly beautiful However the shocking death of her father that forever changed her girlhood has left her terrified of the very love she desperately longs for Only in the untamed splendor of the Scottish crags does she feel safe from the feelings she stirs in men and the cruel mockery of Selkirk's villagers Debonair well educated doctor Houston Stuart has turned his back on social privilege along with professional honors to set up a medical practice in the lowlands of Scotland There serving those who need him the most he hopes to forget the bitter memories and disillusionment that disturb his days Coincidence brings the cultured doctor and this fey mountain girl together Something as bizarre as destiny disrupts the obstacle of birth and breeding stubborn pride and fear which has kept them apart as each seeks to heal the other's wounds with a raw passion neither can deny and all the odds against them cannot defeat **Digital Shadows: The Truth Behind the Influencer Glow** Anurag kumar,2024-12-09 Digital Shadows The Truth Behind the Influencer Glow by Suman Step behind the filter and into the real world of influencers Digital Shadows The Truth Behind the Influencer Glow uncovers the glamorous facade of social media stardom exposing the secrets deception and danger lurking beneath Maya Grant is a talented but overlooked photographer struggling to make

Truant,Sean Platt, Power is in the mind The mind is in the network As the NAU s Shift approaches the Directorate and Enterprise parties are doing whatever they can both on Beam and off to win the citizen s minds The Beam itself however seems to be evolving As more and more people become addicted to connectivity a question arises Does the Beam serve our minds or do our minds serve the Beam Meanwhile using politics as cover an organization is pushing human enhancements further than they were ever meant to go and maybe more

than the struggling NAU with its hyperconnected minds can hope to survive Another homerun for Platt and Truant Usually second books in a series are the weak link that didn't happen in *The Beam* Just like the first season I got sucked in to this book and told the kids to just feed themselves pop-tarts and leave mommy alone already so she could read An amazing series Patricia Eimer I loved the first season but this did such a great job of fleshing out the story line that I'm already champing at the bit for the next season Bruce In Baghdad A real high tech futuristic political thriller with a great storyline and a cliff hanger ending that leaves you wanting for more Can't wait to read season 3 beachbaby
