rather than control along comes another comet in the form of a stranger admitted to the local hospital with her name and number inscribed on his MedicalAlert bracelet The young man it turns out is her son whom she gave up for adoption when she was sixteen Jeremy shows the scars of his years as a foster child and his most recent drug reaction but is otherwise beautiful and charming And when he moves in with Liz to recuperate it s as if both of them had been waiting for this moment all their lives With Eleanor Rigby Douglas Coupland has given us a powerful and entertaining portrait of a woman who could be any one of us someone who thinks it is too late to make anything of her life who feels defeated by the monotony of her days yet who also holds within her the potential for monumental change and for great love
