Pease,1989-09 The term American Renaissance designates a period in our nation s history when the literary classics appeared works original enough to mark a beginning for America s literary history But the American Renaissance Donald Pease argues in his introduction does not belong to the nation s secular history so much as it denotes a rebirth from it Independent of the time kept by secular history the American Renaissance keeps what we could call global Renaissance time the sacred time a nation claims to renew when it claims its cultural place as a great nation existing within a world of great nations Providing each nation with the terms for cultural greatness denied to secular history the renaissance is not an occasion occurring within any specific historical time or place so much as it is a moment of cultural achievement that repeatedly demands to be reborn *The American Renaissance Reconsidered* examines this demand for rebirth in terms other than those ordained by the American Renaissance itself In the seven pieces collected here it is reborn not outside of but within America s secular history as the authors examine anew the period of the American Renaissance and the period in which its history was written Contributing authors are Eric J Sundquist Jane P Tompkins Louis A Renza Jonathan Arac Donald E Pease Walter Benn Michaels and Allen Grossman **The Legends of the Jews Complete** Louis Ginzberg,2017-09-02 Louis Ginzberg s great compendium of Jewish legends myths and ancient lore enliven and challenge readers to understand greatly the civilization behind the greatest prophecies and holy writings ever written A celebrated scholar of the Talmud Torah and other holy texts Louis Ginzberg distinguished himself as gifted in matters of holy lore from a young age All four volumes of his rendition of the Judaic legends are contained in this excellent edition They run as follows Volume One begins with the years of creation detailing God s creation of the Earth and all the lands and creatures upon it Man s creation and the story of Adam and Eve are duly related as are the ten generations which separated Adam from Noah The Great Flood whereby Noah escaped the destruction by building his famous ark is followed by the ten generation gap between Noah and

Abraham the patriarch of Judaism Finally we hear of the life of Jacob who following drought would emigrate to Egypt with his family Volume Two roughly corresponding with the Biblical Books of Exodus and Job begins with the life and death of Joseph His life and the lives of Jacob's sons the founders of the Jewish tribes are likewise told The famous story of Job a morally upstanding family man who suffers many misfortunes is then related Finally we hear the story of Moses and the conflict he arrives at with the Pharaoh Volume Three commences with Moses finally deciding to lead the Jews out of Egypt the oppression of the Pharaoh having become too much to bear After departing the construction of the Tabernacle and the tumultuous events of the Year of Disfavor are detailed The tale of the prophet Balaam and his temptation with money from King Balak of Moab is told Finally the volume concludes with the death of Moses Volume Four opens with the story of Joshua who was the servant of Moses and one of the twelve spies who scouted the lands of Canaan at Moses behest Following the death of Joshua the tale of the Judges and of conflicts between the Israelites and Canaanites are told The subsequent generations of Jewish society including the great King Solomon are hereafter related As a young man Louis Ginzberg emigrated from his native Russia to the United States Initially aimless and unsure of his future and deeply affected by the death of his pious father it was after a few years as an emigre that study of Jewish history and the sacred texts proved a viable outlet He proved a voracious and highly competent scholar and teacher working at the Jewish Theological Seminary of America and accepting an honorary doctorate from Harvard University
