The Liberty We Seek Loyalist Ideology In Colonial New York And Massachusetts

Janice Potter-MacKinnon

The Liberty We Seek Loyalist Ideology In Colonial New York And Massachusetts:

The Liberty We Seek Janice Potter-MacKinnon, 1983 This book seeks to provide a clear statement of Loyalist ideas and to show that there was an ideology common to Loyalists from different backgrounds and regions The emphasis in this study is on the public appeal of the Loyalists rather than on their private thoughts **William Franklin** Sheila L. Skemp, 1990-08-09 When Benjamin Franklin flew his kite in a thunderstorm in his famous experiment his illegitimate son William was his only companion Together they traveled through the western wilds of Pennsylvania during the French and Indian War fought in the colony's fractious political battles Ben helped his son attain the post of Royal Governor of New Jersey and William's government hired Ben to represent the colony in London But when war came father and son were split one acclaimed as a patriot hero the other a loyalist condemned by his countrymen In *William Franklin* Sheila Skemp tells the story of this fascinating and complex man a man with a foot in both worlds he loved both King and country and saw the interests of both as inextricably intertwined She follows William's early years as a militia officer in the wars with the French his life as a law student in England and his long tenure as Royal Governor of New Jersey Skemp highlights the close personal and political relationship between father and son depicting such ironic episodes as William's defense of his father against charges that Ben was the author of the infamous Stamp Act But as the years passed Ben in London grew increasingly bitter toward the Crown while William in America remained devoted to the King By the time war came their loyalties were divided their relationship destroyed Skemp traces William's career through the tumult of revolution and exile Refusing to follow his fellow royal governors into asylum he was arrested by the patriots and jailed his wife soon died and his property was confiscated Upon release William became president of the Board of Associated Loyalists in New York where neglected by the British and despised by the revolutionaries he authorized one of the most notorious atrocities of the war the hanging of Joshua Huddy At war's end Franklin fled into exile in England hated by his countrymen and disowned by the father he still venerated and even loved Sweeping and authoritative *William Franklin* captures some of the great issues and personalities of the Revolutionary era and the bitterness of a family split between father and son patriot and loyalist **Jonathan Odell, Loyalist Poet of the American Revolution** Cynthia Dubin Edelberg, 1987 Jonathan Odell's life and writings give us insight into the American Revolution by revealing Loyalist ideology the ambitious few have led the gullible multitude to slaughter and he rails against the British military for fighting a war of containment aimed at bringing the rebel leadership to negotiation This policy effectually trapped the Loyalists between the British army which ignored them and the rebels who despised them One of the best educated of the colonialists Odell a physician turned Anglican minister and then writer lived the gamut of experience powerful friends sustained him and the British commanders in chief Sir William Howe Henry Clinton and Sir Guy Carleton employed him nevertheless during the war he was a lonely exile Tory hunters forced him from his home in 1775 and at the end of the war when his hope for reconciliation between the Loyalists and the Americans came to nothing he reluctantly

emigrated to Canada Here is a voice all but silenced for over two hundred years that must now be heard if we are to better understand the American Revolution **From Empire to Revolution** Greg Brooking,2024-07-15 From Empire to Revolution is the first biography devoted to an in depth examination of the life and conflicted career of Sir James Wright 1716 1785 Greg Brooking uses Wright s life as a means to better understand the complex struggle for power in both colonial Georgia and the larger British Empire James Wright lived a transatlantic life taking advantage of every imperial opportunity afforded him He earned numerous important government posts and amassed an incredible fortune totaling over 100 000 sterling An England born grandson of Sir Robert Wright James Wright was raised in Charleston South Carolina following his father s appointment as the chief justice of that colony Young James served South Carolina in a number of capacities public and ecclesiastical prior to his admittance to London s famed Gray s Inn to study law Most notably he was appointed South Carolina s attorney general and colonial agent to London prior to becoming the governor of Georgia in 1761 Wright s long imperial career delicately balanced dual loyalties to Crown and colony and offers a new perspective on loyalism and the American Revolution Through this lens Greg Brooking connects several important contexts in recent early American and British scholarship including imperial and Atlantic history Indigenous borderlands race and slavery and popular politics

America's First Chaplain Kevin J. Dellape,2013-10-25 America s First Chaplain is a biography of the life of Philadelphia s Jacob Duch the Anglican minister who offered the most famous prayer and wrote one of the most infamous letters of the American Revolution For the prayer to open the First Continental Congress Duch was declared a national hero and named the first chaplain to the newly independent American Congress For the letter written to George Washington imploring the general to encourage Congress to rescind independence he was accused of high treason and sent into exile As a result of this apparently irreconcilable contradiction in the minister s behavior many of his contemporaries and most historians have assumed he was weak that in the moment of crisis his imprisonment by British authorities during their occupation of Philadelphia he cut a deal with the British for his own safety The evidence gathered from the life of Jacob Duch however points to a very different conclusion one that reveals the immense complexity of the American Revolution and the havoc it wreaked on the lives of the people who experienced it The story of this deeply religious rector of Christ Church and St Peter s reveals the human side of the Revolution a story that includes great accomplishment and great tragedy It also provides insight into the complicated nature of Pennsylvania s democratic revolution the unique difficulties faced by Anglican leaders during the revolution and the weakness of simplistic categorizations such as patriot or loyalist For more than two centuries two events a prayer and a letter have obscured our view of the extraordinary life lying in the background This biography attempts to reinterpret the prayer and the letter in light of the man behind them and in the process to uncover the real significance of both as well as to gain a glimpse into the complexity and contradictions of the American Revolution

Loyalist Literature Robert S. Allen,1982-01-01 This highly readable guide is more than a bibliography Written in a

narrative style it is as well a short history of the Loyalists who they were why they left where they settled and what their legacy is

From Revolution to Reunion Rebecca Brannon, 2022-04-13 This social history of post Revolutionary South Carolina examines the successful reconciliation of Patriots and Loyalists The American Revolution was a vicious civil war fought between families and neighbors Nowhere was this truer than in South Carolina Yet after the Revolution South Carolina s victorious Patriots offered vanquished Loyalists a prompt and generous legal and social reintegration From Revolution to Reunion investigates the way in which South Carolinians Patriot and Loyalist managed to reconcile their bitter differences and reunite to heal South Carolina and create a stable foundation for the new United States Rebecca Brannon considers rituals and emotions as well as historical memory to produce a complex and nuanced interpretation of the reconciliation process in post Revolutionary South Carolina detailing how Loyalists and Patriots worked together to heal their society She frames the process in a larger historical context by comparing South Carolina s experience with that of other states Brannon highlights how Loyalists apologized but also became vital contributors to the new experiment in self government and liberty In return the state government reinstated almost all the Loyalists by 1784 South Carolinians succeeded in creating a generous and lasting reconciliation between former enemies but in the process they downplayed the dangers of civil war which may have made it easier for South Carolinians to choose that path a second time

Dishonored Americans Timothy Compeau, 2023-11-29 With the final words of the Declaration of Independence the signatories famously pledged to one another their lives their fortunes and their sacred Honor But what about those who made the opposite choice By looking through the analytical lens of honor culture Dishonored Americans offers an innovative assessment of the experience of Americans who made the fateful decision to remain loyal to the British Crown during and after the Revolution Loyalists as Timothy Compeau explains suffered a political death at the hands of American Patriots A term drawn from eighteenth century sources political death encompassed the legal punishments and ritualized dishonors Patriots used to defeat Loyalist public figures and discredit their counter revolutionary vision for America By highlighting this dynamic Compeau makes a significant intervention in the long standing debate over the social and cultural factors that motivated colonial Americans to choose sides in the conflict narrating in compelling detail the severe consequences for once respected gentlemen who were stripped of their rights privileges and power in Revolutionary America

Writing the Rebellion Philip Gould, 2013-06-27 Writing the Rebellion presents a cultural history of loyalist writing in early America dissolving the old legend that loyalists were more British than American and patriots the embodiment of a new sensibility

The American Revolution Edward Countryman, 1985 A newly revised version of a classic in American history When The American Revolution was first published in 1985 it was praised as the first synthesis of the Revolutionary War to use the new social history Edward Countryman offered a balanced view of how the Revolution was made by a variety of groups ordinary farmers as well as lawyers women as well as men blacks as well as whites who transformed the character of American life

and culture In this newly revised edition Countryman stresses the painful destruction of British identity and the construction of a new American one He expands his geographical scope of the Revolution to include areas west of the Alleghenies Europe and Africa and he draws fresh links between the politics and culture of the independence period and the creation of a new and dynamic capitalist economy This innovative interpretation of the American Revolution creates an even richer more comprehensive portrait of a critical period in America s history

The American Revolution 1775-1783 Richard L. Blanco,2020-12-06 This definitive encyclopedia originally published in 1983 and now available as an ebook for the first time covers the American Revolution comes in two volumes and contains 865 entries on the war for American independence Included are essays ranging from 250 to 25 000 words on major and minor battles and biographies of military men partisan leaders loyalist figures and war heroes as well as strong coverage of political and diplomatic themes The contributors present their summaries within the context of late 20th Century historiography about the American Revolution Every entry has been written by a subject specialist and is accompanied by a bibliography to aid further research Extensively illustrated with maps the volumes also contain a chronology of events glossary and substantial index

The Great New York Fire of 1776 Benjamin L. Carp,2023-01-31 Who set the mysterious fire that burned down much of New York City shortly after the British took the city during the Revolutionary War New York City the strategic center of the Revolutionary War was the most important place in North America in 1776 That summer an unruly rebel army under George Washington repeatedly threatened to burn the city rather than let the British take it Shortly after the Crown s forces took New York City much of it mysteriously burned to the ground This is the first book to fully explore the Great Fire of 1776 and why its origins remained a mystery even after the British investigated it in 1776 and 1783 Uncovering stories of espionage terror and radicalism Benjamin L Carp paints a vivid picture of the chaos passions and unresolved tragedies that define a historical moment we usually associate with life liberty and the pursuit of happiness rdquo

The Bloomsbury Encyclopedia of the American Enlightenment Mark G. Spencer,2015-01-01 American Revolution Andrew K. Frank,2007-08-01 Moving beyond traditional texts this revealing volume explores the world of the average citizens who played an integral part in the Revolutionary era of American history American Revolution looks at one of the most significant eras in American history through the eyes of its least famous least studied citizens It is an eye opening collection of essays demonstrating how the wrenching transformation from English colonies to an emerging nation affected Americans from all walks of life American Revolution features the work of 14 accomplished social historians whose findings are adding new dimensions to our understanding of the Revolutionary era But some of the most fascinating contributions to this volume come from the people themselves the anecdotes letters diaries journalism and other documents that convey the experiences of the full spectrum of American society in the mid to late 18th century including women African Americans Native Americans immigrants soldiers children laborers Quakers sailors and farmers

Political Discourse in Early Modern Britain Nicholas

Phillipson, Quentin Skinner, 1993-02-26 Inspired by the work of intellectual historian J G A Pocock this 1993 collection explores the political ideologies of early modern Britain

That Ever Loyal Island Phillip Papas, 2009-03 Of crucial strategic importance to both the British and the Continental Army Staten Island was for a good part of the American Revolution a bastion of Loyalist support With its military and political significance Staten Island provides rich terrain for Phillip Papas s illuminating case study of the local dimensions of the Revolutionary War Papas traces Staten Island s political sympathies not to strong ties with Britain but instead to local conditions that favored the status quo instead of revolutionary change With a thriving agricultural economy stable political structure and strong allegiance to the Anglican Church on the eve of war it was in Staten Island s self interest to throw its support behind the British in order to maintain its favorable economic social and political climate Over the course of the conflict continual occupation and attack by invading armies deeply eroded Staten Island s natural and other resources and these pressures combined with general war weariness created fissures among the residents of that ever loyal island with Loyalist neighbors fighting against Patriot neighbors in a civil war Papas s thoughtful study reminds us that the Revolution was both a civil war and a war for independence a duality that is best viewed from a local perspective

The Oxford History of the British Empire: Volume V: Historiography Robin Winks, 1999-10-21 The Oxford History of the British Empire is a major new assessment of the Empire in the light of recent scholarship and the progressive opening of historical records From the founding of colonies in North America and the West Indies in the seventeenth century to the reversion of Hong Kong to China at the end of the twentieth British imperialism was a catalyst for far reaching change The Oxford History of the British Empire as a comprehensive study helps us to understand the end of Empire in relation to its beginning the meaning of British imperialism for the ruled as well as for the rulers and the significance of the British Empire as a theme in world history This fifth and final volume shows how opinions have changed dramatically over the generations about the nature role and value of imperialism generally and the British Empire more specifically The distinguished team of contributors discuss the many and diverse elements which have influenced writings on the Empire the pressure of current events access to primary sources the creation of relevant university chairs the rise of nationalism in former colonies decolonization and the Cold War They demonstrate how the study of empire has evolved from a narrow focus on constitutional issues to a wide ranging enquiry about international relations the uses of power and impacts and counterimpacts between settler groups and native peoples The result is a thought provoking cultural and intellectual inquiry into how we understand the past and whether this understanding might affect the way we behave in the future

The Oxford History of the British Empire: Historiography Robin W. Winks, 1999 This volume investigates the shape and the development of scholarly and popular opinion about the British Empire over the centuries

[Rethinking American Disasters](#) Cynthia A. Kierner, Matthew Mulcahy, Liz Skilton, 2023-04-05 *Rethinking American Disasters* is a pathbreaking collection of essays on hurricanes earthquakes fires and other calamities in the United States and British colonial America

over four centuries Proceeding from the premise that there is no such thing as a natural disaster the collection invites readers to consider disasters and their aftermaths as artifacts of and vantage points onto their historical contexts **United States History** James Warren Oberly, 1995
