the notion that God is present in the everyday For example in the chapter that details finding God in Art God as Artist the reflections relate to God as artist painter musician and writer and the examples of art music and writing are drawn from everyday life Specifically the art work was available to view at the local art gallery NGI at the time of writing the four pieces of music are easily accessible online as are the two poems It is hoped that this book will aid the reader in their prayer life and help them to experience God in ordinary life by exploring usual and unusual images of God

The Apostle Matthew is telling us that the Word of Jesus was spoken to everyone in this world for he saw Jesus as the King of kings Now Christians throughout the world who have just been born again by believing in the gospel of the water and the Spirit that we are spreading are indeed yearning to feed on the bread of life But it is difficult for them to have fellowship with us in the true gospel for they are all far away from us Therefore to meet the spiritual needs of these people of Jesus Christ the King of kings the sermons in this book have been prepared as new bread of life for them to nourish their spiritual growth The author proclaims that those who have received the remission of their sins by believing in the Word of Jesus Christ the King of kings must feed on His pure Word in order to defend their faith and sustain their spiritual lives This book will provide the real spiritual bread of life to all of you who have become the royal people of the King by faith Through His Church and servants God will continue to provide you with this bread of life May God s blessings be on all of you who have been born again of water and the Spirit who desire to have true spiritual fellowship with us in Jesus Christ The New Life Mission <https://www.bjnewlife.org>
