The Mad Mad World Of Elections Paperback:

The Mad, Mad World of Elections Sudhir Dar, 2004 A hilarious and thought provoking exposition of the Great Indian Electoral Exercise Every five years or so and sometimes at alarmingly higher frequencies India the world's largest democracy goes to the polls For months on end the normal routine of the nation comes to a grinding halt as an elaborate machinery is set up for citizens to exercise their franchise and elect the 545 representatives whom they see fit to govern a country of over one billion residents The sheer size and scope of the electoral exercise is mind boggling in the 2004 general elections there were some 387 million votes polled for a total of 5398 candidates at 700 000 polling stations nationwide using over 1 million electronic voting machines at a cost of close to Rs 100 million With a few perceptive brushstrokes master cartoonist Sudhir Dar brings alive all the excitement and eccentricities of Indian elections Nothing escapes his scrutiny from bickering over party tickets to allotment of innovative election symbols from high octane campaigning to meaningless manifestos from booth capturing to long electoral queues from lost security deposits to victorious post poll alliances between sworn enemies For more than four decades Sudhir Dar has regaled generations of readers with his inimitable creations This volume contains some of his best work including a host of new and topical cartoons Accompanying the cartoons are facts and figures and little snippets about elections in India that are sure to intrigue and fascinate you This is a memento of the chaotic and delightful world of elections that every reader will want to own

A MAD, MAD WORLD: The global rise in rightwing populism MUNEER QADIR, 2024-06-28 The year is 2024 and over the last couple of years the world appears to be drifting towards rightwing populism with people around the globe displaying their growing inclination towards far right beliefs and populations across different nations reflecting their liking for politicians who stoke culture wars In the midst of this chaos at national and regional levels the outbreak of a major humanitarian crisis in the Middle East after the events of 7th October 2023 has led to an even greater polarisation among members of the global community Xenophobia anti refugee anti immigration rhetoric has become political leaders most effective tool in connecting with their public So how does one make sense of this mad mad world This book seeks to question and tries to answer this very question
