Staar, 2021-02-01 Turn the page and open the door into the thrilling saga of *The Dragon King* where myth and lore love and magic are intermingled in a world where the strength of a pure heart stands against the powers of dark magic Guardians protectors of goodness and light in the world had scarcely survived the Great War against their adversary Abdenagon the Destroyer a fallen Guardian condemned to rule the nether gloom who found a path into the world of the living through tempting the hearts of Guardians whose hearts fell into darkness dark lords battling each other and the humans for the rule of all After rebuilding the carnage of the long war the Guardians of pure heart could not expunge the fear and hatred the humans felt toward them for the unimaginable suffering caused by the dark lords wielding their powers for evil Guardians were forced to withdraw from the humans to live in the safety of their mountain sanctuary Ellery Glen In the millenniums of peace that followed Abdenagon did not rest regaining his strength he found in Fangull a willing heart to fall into darkness a servant who surpassed his expectations Great darkness loomed over the world once again A war the Guardians were ill prepared to fight with their powers limited by ancient weaves their eyes blinded and

their hearts bound by eons of beliefs and traditions that no longer held true They awaited the fulfillment of the prophecy that a king would come to lead them into battle The king that came was not what they had expected their hearts fell into despair as the evil one stirred and darkness threatened to eclipse their world of goodness and light Thus begins The Chronicles of Dragons Wizards and Kings of Ellery Glen

Divining the Self Velma E. Love,2012-10-25 Divining the Self weaves elements of personal narrative myth history and interpretive analysis into a vibrant tapestry that reflects the textured embodied and performative nature of scripture and scripturalizing practices Velma Love examines the Odu the Yoruba sacred scriptures along with the accompanying mythology philosophy and ritual technologies engaged by African Americans Drawing from the personal narratives of African American Ifa practitioners along with additional ethnographic fieldwork conducted in Oyotunji African Village South Carolina and New York City Love s work explores the ways in which an ancient worldview survives in modern times Divining the Self also takes up the challenge of determining what it means for the scholar of religion to study scripture as both text and performance This work provides an excellent case study of the sociocultural phenomenon of scripturalizing practices
