The Mahareeshi Says

Christine S. O'Brien

The Mahareeshi Says:

The Maharishi Effect Geoff Gilpin, 2006-10-19 This penetrating literary journalistic memoir depicts the clash between promise and reality within the movement that virtually defined alternative spirituality in America Transcendental Meditation and its iconic guru the Maharishi Like hundreds of thousands of young people Geoff Gilpin entered the Transcendental Meditation movement in the early seventies when its guru the Maharishi Mahesh Yogi was fresh in the public mind as the spiritual guide to the Beatles and the man who made meditation a household word The movement's Iowa campus was a center of spiritual idealism and healthy living Gilpin left after five years settling into a successful career in the software business Two decades later wistful over the past and concerned by the increasingly harsh tone of the Maharishi's public pronouncements Gilpin decided to return and find out what had become of the spiritual community of his youth His move back to Fairfield Iowa proved both revealing and unsettling He rediscovered what had drawn his generation to Eastern spirituality and what he and his cohorts had lost in following the usual path to careerism But he also experienced disturbing changes in a spiritual organization that while attracting money celebrity and clout had seemingly drifted from its early ideals Its inner culture Gilpin observed had divided into haves and have nots in ways both subtle and obvious The Maharishi believed to be in his late eighties or early nineties and now living in Holland was promoting projects that involved global government third world rulers claims of levitation and grandiose fund raising campaigns The Maharishi Effect is one man's bittersweet chronicle of innocence found and lost in the movement that more than any other defined spirituality for a generation

Maharishi Mahesh Yogi - A Living Saint for the New Millennium Theresa Olson, 2004 Forty years ago in May of 1959 His Holiness Maharishi Mahesh Yogi first visited the United States of America It seems only fitting to bring out a commemorative edition of the book written by my mother in 1967 wherein she described the adventures of Maharishi's first summer in this country It is a book so like Maharishi a tender story told simply about a great man with a superhuman goal During these forty years I have had the opportunity to quietly witness this great man going about the manifestation of a phenomenal vision a vision based on the principle that everyone should naturally and innocently live 200 percent of life one hundred percent inner spiritual joy along with one hundred percent outer material satisfaction Maharishi wanted to bring humankind out of suffering and restore to us our rightful human dignity He envisioned a world in which its citizens could enjoy a life free from problems an ideal life based in good useful and virtuous thoughts words and actions where we could enjoy the blessings of spontaneous good health excellent and effective systems of education for our children increased economic prosperity and improved social well being on all levels of society where the spiritual ideals of all religions could be realized and lived in daily life and most importantly where we could live in lasting world peace and real friendship with one another And Maharishi offered a simple powerful solution for realizing that goal an easy natural mental technique that he called Transcendental Meditation which allows anyone to develop his or her full potential while simultaneously nourishing

Swami Adgadanand,2010-03-01 After the publication of Yatharth Geeta which is a commentary on Srimad Bhagavad Gita the devotees requested the revered Swami Ji to throw light on Patanjali s Yog Darshan too because yog is related with self realisation It cannot be perceived on material grounds The revered Maharaj Shree is a Mahapurush who has passed through all the stages of Yog The present work is the collection of what Maharaj Shree delivered in his preaching Pata jali divided his Yoga Sutras into four chapters or books Sanskrit pada containing in all 196 aphorisms divided as follows Samadhi Pada 51 sutras Samadhi refers to a blissful state where the yogi is absorbed into the One Samadhi is the main technique the yogin learns by which to dive into the depths of the mind to achieve Kaivalya The author describes yoga and then the nature and the means to attaining sam dhi This chapter contains the famous definitional verse Yoga citta vritti nirodha Yoga is the restraint of mental modifications Sadhana Pada 55 sutras Sadhana is the Sanskrit word for practice or discipline Here the author outlines two forms of Yoga Kriya Yoga Action Yoga and Ashtanga Yoga Eightfold or Eightlimbed Yoga Kriya Yoga is closely related to Karma Yoga which is also expounded in Chapter 3 of the Bhagavad Gita where Arjuna is encouraged by Krishna to act without attachment to the results or fruit of action and activity It is the yoga of selfless action and service A ga Yoga describes the eight limbs that together constitute R ja Yoga Vibhuti Pada 56 sutras Vibhuti is the Sanskrit word for power or manifestation Supra normal powers Sanskrit siddhi are acquired by the practice of yoga Combined simultaneous practice of Dh ra Dhyana and Sam dhi is referred to as Samyama and is considered a tool of achieving various perfections or Siddhis The temptation of these powers should be avoided and the attention should be fixed only on liberation The purpose of using samadhi is not to gain siddhis but to achieve Kaivalya Siddhis are but distractions from Kaivalaya and are to be discouraged Siddhis are but maya or illusion Kaivalya Pada 34 sutras Kaivalya literally means isolation but as used in the Sutras stands for emancipation or liberation and is used interchangeably with moksha liberation which is the goal of yoga The Kaivalya Pada describes the process of liberation and the reality of the transcendental ego By going through this commentary one can understand what Yog is but the real perception of Yog is possible only after practical pursuit of Yogic Sadhana With Tap Swadhyaya Ishwar Pranidhan and chanting of Om the real Sadhana starts By their practice the Avidhya and Kleshas got removed and the self starts transmitting beneficial vistas In their light alone the Yogic maxims written by Maharishi Patanjali can be truly comprehended Yog is direct perception no oral or written words can explain it Practical pursuits alone can make the comprehension of Yog Darshan possible **Maharishi & Me** Susan Shumsky,2018-02-13

O'Brien,2024-03-26 Do you mind that I m going to be writing a book about the fact that I was hungry I asked my mother Just tell a good story she replied Hunger comes in many forms In her memoir Crave Christine S O'Brien tells a story of family turmoil and incessant hunger hidden behind the luxury and privilege of New York s famed Dakota apartment building Her explosively angry father was ABC Executive Ed Scherick the successful television and film producer who created shows and films like ABC s Wide World of Sports and The Stepford Wives Raised on farm in the Midwest her calm beautiful mother Carol narrowly survived a dramatic accident when she was child There was no hint of instability in her life until one day she collapsed in the family s apartment and spent the next year in bed Your mother s illness is not physical Christine s father tells her Craving a cure for a malady that the doctors said had no physical basis Carol resorted to increasingly bizarre nutritional diets from raw liver to fresh yeast before beginning a rigid dietary regime known as The Program It consisted largely of celery juice and blended salads a forerunner of today s smoothie Determined to preserve the health of her family Carol insisted that they follow The Program Despite their constant hunger Christine and her three younger brothers loyally followed their mother s eating plan even as their father s rage grew and grew The more their father screamed the more their mother s very survival seemed to depend on their total adherence to The Program This well meant tyranny of the dinner table led Christine to her own cravings for family for food and for the words to tell the story of her hunger Crave is the chronicle of Christine s painful and ultimately satisfying awakening And just as her mother asked it s a good story
