The Mambi-land, Or, Adventures of a Herald Correspondent in Cuba James J. O'Kelly, 1874 Cuba's Wild East Peter Hulme, 2011-01-01 As a whole Cuban history culture and art are often misconstrued with a heritage specific to Havana In Cuba s Wild East Peter Hulme attempts to right this wrong focusing on the eastern region of the island and the specific fictions poetries locations and histories that constitute a specific eastern culture Examining a region with a rich insurgent and revolutionary history Peter Hulme examines the stories of rebellion heroism and sacrifice that are so intimately tied to the places and sites that have now become part of a national pantheon at the same time showing the international influence of US journalists and novelists whose presence in Cuban literature alongside native Cuban writers further defines the region as a place of encounter List of Books Relating to Cuba Library of Congress, Appleton Prentiss Clark Griffin, 1898

De La Torre, 2024-01-05 Reading Jos Mart from the Margins explores the construction of Cuban homophobia racism sexism sinophobia and ethnic discrimination which continues unabatted today on both sides of the Florida Straits The apotheosis of Mart and the falsification of his thoughts have made it difficult to provide a critical assessment of his contributions to the cause of political and social liberation In his writings and in his declaration Montecristo Manifesto he is among the first Latin Americanists to envision the future of Cuba and the rest of Latin America with the full and equal inclusion of Indian and Black people However he also unwillingly created the foundation for a paternalistic colorblind social order which contributed to the marginalization of those who fell short of the cis gendered male Eurocuban ideal Relying primarily on Mart s own writings some of which has yet to be translated into English Miguel De La Torre provides a critical assessment of Mart and shows how some of his work contributes to the construction of intra Cuban oppression
