Everything They Couldn't Break Allen DeKeyser, 2025-07-31 They tried to break his body with bullets They tried to break his spirit with betrayal They tried to break his mind with silence trauma and pain But they failed In They Tried to Break Us Allen DeKeyser delivers a raw powerful and deeply personal memoir about surviving the unthinkable and still standing Shot in the face by those sworn to protect Abandoned by people who once promised forever Walking miles with a broken leg Living through homelessness PTSD depression and betrayal Allen shares it all with fearless honesty More than a story of pain this is a story of resistance Of a man who should've been destroyed but chose to rise Of a service dog who never left his side Of a love that was tested and a heart that refused to give up This is not a polished pretty survival story This is the truth raw unfiltered and unbreakable If you've ever felt invisible broken or thrown away this book is for you

The Man They Couldn't Hang Michael Crowley, 2010-09-01 A play in two Acts with an Introduction by the author The story of John Babbacombe Lee is one of the most bizarre in English criminal history Lee is the only person to have been reprieved by a Home Secretary after standing on a gallows trap which failed to open This happened at Exeter Prison in 1885 when the notoriously inept public hangman James Berry gave up after three abortive attempts Lee spent 22 years in prison before being released On retirement Berry from Heckmondwike Yorkshire who carried out 134 executions was the first executioner to write about his experiences in *My Experiences As An Executioner* His resulting celebrity led to him taking to the boards spinning gruesome tales of his former trade and showing audiences his dark souvenirs Michael Crowley's imaginative play is set in a down at heel northern music hall where the proprietor is bent on reviving the venue's glory days by persuading the now released Lee to team up with Berry in a double act Did John Lee commit the murder for which he was due to hang Did poetic justice intervene on that fateful day in Exeter to prevent a miscarriage of justice Will Lee stand on the scaffold once again with the noose around his neck on stage and for the paying public And will the truth come out or not as Lee begins to confide in the woman designated as leading lady during rehearsals *The Man They Couldn't Hang* by prison writer in residence Michael Crowley is an ideal vehicle for raising issues of crime and punishment It will be particularly useful for drama groups in and out of prison and tutors or group leaders seeking innovative ways of involving those they work with in issues of criminal justice and crime and punishment The play is also suitable for full scale drama productions
