The Man Who Could Read Minds:

The Man Who Could Read Minds Paul Seifert, 2001-08-28 Somebody call him John Doe has been shot in the head With the bullet still lodged in his brain he has lost his memory but gained the ability to read minds This new talent makes him a winner at high stakes poker then on the stock market then as an international mediator for the U S government where he becomes the center of an international intrigue Finally his brain flooded with endorphins Jon Dough realizes that nothing is really as it seems Alexander the Great, 63rd President of the United States Paul Seifert, 2008-05 Abraham Lincoln warned that the approach of danger to our Republic would come from within that we would be the authors of our own destruction Lincoln was confident that all the armies of Europe Asia and Africa combined could not by force take a drink from the Ohio or make a track on the Blue Ridge in a trial of a thousand years The stability of our representative democracy is taken for granted by most Americans And yet a careful study of history suggests that economic social and political forces at work in contemporary America and the world at large represent significant internal and external threats to the greatest republic in human history The first two volumes of this fictional trilogy were concerned with internal issues Alexander the Great 63rd President of the United States depicts events Lincoln assured us could never happen But the book also celebrates the resiliency of the American spirit and ends with the promise of restoration of the American Republic If You Could Read My Mind Pamela Labud, 2006 Never underestimate the power of the paranormal as Pamela Labud follows her debut with a romance as compelling as her first **Peace in the Valley** Kelly Irvin, 2020-08-04 After a devastating wildfire sweeps through her town one young Amish woman is shown a different way to practice her faith but pursuing it could cost her everything she holds dear including the man she loves Nora Beachy loves her life She works in the community store in West Kootenai takes care of her family and courts with Levi Raber She and Levi plan to marry but Levi wants to wait until he has the money to buy them a house before he pops the question Nora doesn't want to wait Is there something keeping Levi from marrying her Nora's peaceful existence is swept away when wildfires threaten her family's home She's forced to evacuate to Libby where she stays with family in an Amish community that embraces a charismatic style of worship rejected by her own parents and the Kootenai district elders Nora's drawn to the emotional powerful style of worship the musical instruments and the more relaxed lifestyle She knows she's headed for a shunning if she doesn't stop breaking the rules but she can't understand why both forms of worship aren't lovely in God's eyes Nora's stuck in the middle She loves her family and doesn't want to lose them She loves Levi But she must make a decision return to her traditional Amish life or embrace this new way of worshipping and living Will she sacrifice her relationship with Levi and her family for a different kind of faith **Tarzan and The Martian Legion** Jake Saunders, 2024-02-13 Tarzan and The Martian Legion is a story too big to be contained to one world one age or one universe A pantheon of heroes including Tarzan and John Carter combat a foe across planets dimensions and time The epic account takes readers not only to Africa and Barsoom but to new worlds with new heroes in

the grandest Burroughsian tradition Scott Tracy Griffin Praise for Tarzan and The Martian Legion An unreserved recommendation from Harlan Ellison Get yourself a copy of THE MARTIAN LEGION a brand new novel by Jake Saunders based on and continuing the ever popular Edgar Rice Burroughs chronicles of John Carter of Mars or Barsoom Tarzan and other memorable pulp fiction stars all set in a story by Saunders you may have knowledge of his wildly original Texas Israeli War novel co written with Howard Waldrop some years ago from Ballantine or know him as a pulp comics enthusiast author who writes a good page many of which are in this magnificent homage to many of the most lasting popular fictional icons in our collective memory Bringing me to a wholly insufficient description of this BREATHTAKING novel Go thee with my stoutest urging and possess a copy for a lifetime Harlan Ellison
