The Trailblazer Series Robin Reardon, 2020-09-08 Nathan Bartlett is a trailblazer not because he follows established routes in the White Mountains or on Kauai or on Mt Desert Island but because he explores and then follows that inner path that tells him who he is and how he relates to the world around him Forging his path doesn't mean he finds all the answers It means he identifies the questions that matter In *On Chocorua* Nathan begins his journey as a college freshman He makes a life long friend feels the pain of losing a lover to addiction and loses his adored older brother Neil in a tragic accident Although Nathan steps figuratively into the hiking boots Neil can no longer wear he can't leave behind him the guilt he feels that he didn't know Neil or his other family members as well as he'd thought He also can't seem to find the sense of being loved the sense of belonging that Neil had given him no matter how many mountain peaks he claims no matter how deep the existential forgiveness he feels hiking on the island of Kauai On the Kalalau Trail He's had his fill of relationships that go nowhere of men who've led him astray emotionally and on the mountains he climbs in memory of Neil Then in *On The Precipice* Nathan meets Drew Madden a true mountain man who fell from a cliff and now uses a wheelchair Nathan's relationship with Drew helps him realize he's been looking for himself in all the wrong places and guides him toward his own personal trail which includes a career in addiction recovery Nathan is a trailblazer on his own journey And his success will be measured not by how well he follows someone else's path but by whether he can forge his own Walk with him

Trailblazer Mary Ann Horton, 2022-10-28 This is a great book about an amazing journey of a woman who went through hell to become the person she is today Monica Helms creator of the transgender flag To have invented the email attachment is one thing To have done so while transitioning from male to female and paving the way for Trans rights in the workplace is quite another Trailblazer is a brave and powerful memoir that is both touching and thought provoking and absolutely worth the read for those who care about equality As a child Mark Horton loved wearing women's clothes Short denim skirts high heels anything that made him feel like a woman As he grew he hid his proclivities in favor of a more traditional home and work life But soon the question who am I really was too loud and Mark began to make room for Mary Ann In her debut memoir Mary Ann Horton recounts her search for her true self and reveals the intimate details both professional and personal of her transition from male to female From navigating the dissolution of her marriage to parenting young boys to coming out to coworkers Mary Ann balanced both her responsibilities and staying true to herself But not

without struggle She would quickly learn the challenges and heartbreak that came with navigating the maze of social medical and legal rights afforded or rather not afforded to the Trans community As Mary Ann fully became Mary Ann her voice grew and with it a commitment to advocacy and activism Aided by her indomitable spirit Mary Ann became a powerful force for the acceptance of transgender benefits and rights first at Lucent Technologies blazing the trail for corporate America to follow HENRY DAVID THOREAU - The Man, The Philosopher & The Trailblazer (Illustrated) Henry David
