A. W. Parker, 2020-09-21 A victim no one can identify in a town full of secrets Rusty Macduff private detective learnt his trade in London when Victoria was on the throne and the first consulting detectives were on the streets hunting down the sort of criminal who seemed to have stepped from the pages of a halfpenny comic Now he s stuck in the country with a war wound only able to take on the cases everyone else turns down A man has been found murdered in a locked alleyway in an ordinary market town The criminals of old London were bad but tended to leave a trail of clues A criminal like the one he is now dealing with didn t even have the decency to leave the clue of a relatively intact victim But a niche is a niche Rusty has a whole range of techniques to get him through this sort of case and he ll need them and more Something very bad is happening in a town where nothing is as it seems and Rusty might not have long before the killer strikes again The Rusty Macduff mysteries are addictive laugh out loud golden age detective thrillers for those who like their crime quirky loved by fans of Edmund Crispin and P G Wodehouse *IN THE BEGINNING:*

Great Opening Lines From Your Favorite Books Hans Bauer, 2023-11-04 Dear Reader IN THE BEGINNING presents the all important first sentence of 1 000 famous and not so famous novels plus a handful of short stories A smorgasbord of popular fiction from around the world ideally these opening lines will have a tremendous attraction for lovers of literature everywhere IN THE BEGINNING is more than just a novelty book Anyone who loves books not only enjoys being reminded of their favorites but also delights in finding a good one they ve missed Those who relish reading and writing will savor a collection that brings back memories of beloved books and often the times in which they were read From Virginia Woolf to Tom Wolfe from Edith Wharton to Stephen King from Ernest Hemingway to Gabriel Garcia Marquez masterpieces of world literature are juxtaposed with trendy best sellers romances with westerns classics with cult favorites Some lines are well remembered others rarely recalled still others are brilliant beginnings from relatively obscure books But in every case IN THE BEGINNING confirms how powerful a sentence can be Bumping into a familiar line from a beloved novel fills the reader s mind with imagery The great fish moved silently through the night water propelled by short sweeps of its crescent tale Jaws by Peter Benchley While dazzling openers don t guarantee a worthwhile novel expectations run high when we re introduced with Paint me a railroad station then ten minutes before dark John Cheever s Bullet Park or There were 117 psychoanalysts on the Pan Am flight to Vienna and I d been psychoanalyzed by at least six of them Fear of Flying by Erica Jong Some books reach their zenith with wonderful first lines that are never matched I had this story from one that had no business to tell it to me or to any other That s our initial meeting with the Tarzan series Conversely some rather mundane opening lines are made better because we know the marvelous story that follows like B Traven s Treasure of the Sierra Madre The bench on which Dobbs was sitting was not so good Perhaps not truly memorable but a truly unforgettable character and Bogie didn t do badly by him either Enjoy Hans Bauer

The Man with No Face Peter Turnbull, 2015-02-03 When a man is found with his face blown off the Glasgow P Division detectives quickly establish his identity But the mystery surrounding his death only deepens When it comes to writing police procedurals Turnbull has few peers This low key Scottish author writes refreshingly intelligent books that are an absorbing blend of gritty murder mystery human interest story psychological profile and wry social commentary Booklist

The Handle Richard Stark, 2011-05-01 An action packed crime novel starring Parker the heister starring in the forthcoming Shane Black film Play Dirty Richard Stark s Parker novels are the hardest of hard boiled classic crime novels where the heists are huge the body counts are high and the bad guys usually win The Parker novels have been a huge influence on countless writers and filmmakers including Quentin Tarantino Stephen King George Pelecanos Colson Whitehead Lucy Sante John Banville and many more Their stripped down language and hard as nails amorality create an unforgettable world where the next score could be the big one but your next mistake could also be your last There s nothing else like them In The Handle

Parker is enlisted by the mob to knock off an island casino guarded by speedboats and heavies forty miles from the Texas coast Working with his trusted colleague Alan Grofield but dealing with double crosses and double dealings by others from the word go Parker knows the line between success and failure on this score would be exactly the length of the barrel of a 38
