Puskas, David Crump, 2008-07-15 Leading students through the texts highlighting the various literary devices and themes and pointing out the historical and cultural contexts An Introduction to the Gospels and Acts is a fruitful collaboration between a mainline scholar Puskas and a more evangelical scholar Crump who clearly articulate their own opinions while charitably engaging a wide spectrum of scholarship The coverage of the Gospels and Acts throughout is clear comprehensive and well documented Maps charts outlines and tables round out the wealth of information offered here Publisher **Early Narrative**

Christology: The Lord in the Gospel of Luke C. Kavin Rowe, 2012-02-14 Despite the striking frequency with which the Greek word *kyrios* Lord occurs in Luke's Gospel this study is the first comprehensive analysis of Luke's use of this word The analysis follows the use of *kyrios* in the Gospel from beginning to end in order to trace narratively the complex and deliberate development of Jesus' identity as Lord Detailed attention to Luke's narrative artistry and his use of Mark demonstrates that Luke has a nuanced and sophisticated christology centered on Jesus' identity as Lord **Catalogue of English Bible**
