BOOK FOR KIDS written by Jessica Wilson is a comprehensive guide to helping children manage their anxiety and emotions The book is broken down into four sections each focusing on a different aspect of anxiety In the first section I gave an overview of anxiety and its causes I further explained practical strategies and tools for helping children understand and cope with their anxiety and other related mental health issues The second section of the book is focused on self care and relaxation techniques It provides detailed instructions on how to practice mindfulness yoga and other methods of relaxation I

also explained why it is important to take care of one's mental health and how it can benefit overall wellbeing. The third section of the book is dedicated to helping children build positive relationships. I provided tips on building successful relationships with family, friends, and other people in their lives and also discussed the importance of communication and how it can help children better manage their anxiety. The final section of the book covers a variety of relaxation techniques such as journaling, deep breathing, and visualization, explaining how these techniques can help children manage their anxiety and stress levels. The Anxiety Relief Book for Kids is a great resource for children struggling with anxiety and other mental health issues. There are practical advice and strategies for helping children cope with their anxiety and emotions. My writing style is easy to understand, and my advice is backed up by research. Readers should also check out my other books on disorders and other related health issues.

CBT Workbook For Kids Rachel Davidson Miller, 2021-02-17 55% OFF for Bookstores NOW at 23.95 instead of 34.95 LAST DAYS. Your child can overcome big emotions. Anxiety, depression, stress, anger, and trauma are all thought to be adult-related concerns. No one talks about how these big emotions, feelings, and events can have just as significant of an impact on children. Children are looked at as safe from these hard-to-overcome emotions. But with constant exposure to news reports, violent games, social media, and crime in their own neighborhood, it is likely that your child may be struggling with these emotions without you even knowing it. Children often

act out when they feel out of control When they are trying to make sense of what they are feeling these behaviors intensify Unfortunately these behaviors are often chalked up to typical tantrums the child only trying to get what they want or the child seeking attention The cause of the behavior is never really questioned While it is typical for children to throw tantrums and fits every now and then when these become more frequent and last longer than a few minutes this is a clear red flag your child is struggling with some more Children can suffer from depression anxiety and stress among other intense mood disorders and emotions Young children do not have the skillset to help them work through these problems on their own It is no wonder why your child may be acting out if they are feeling confused and frightened by what they are thinking or feeling As a parent you want to help your child work through these big emotions and strengthen the skills your child needs to overcome these emotions in the future That is where this book can help In this workbook you will understand What anxiety anger stress trauma and depression looks like in a child What skills your child may be lacking which are adding to unwanted behaviors How to properly open the lines of communication with your child to talk about what they are going through What lifestyle change can best benefit you and your child This book will also provide you with activities games and techniques that you and your child can do together to work through big emotions Your child may have struggled in the past to communicate about what they are feeling and what is bothering them simply because they do not yet have an understanding of their feelings Unwanted behaviors are never because your child wants to be bad They are simply the only way they know how to cope and handle the big emotions they are experiencing This book will help you recognize this behavior and how you can help your child make the necessary changes to help them overcome and properly express what they are struggling with You and your child will gain a clear understanding of how to overcome big emotions rewire negative thoughts and maintain control in any situation from this book If you have been trying to help your child with little to no positive results in the past this book can provide you with the key tools that you may have been missing If you are ready to see your child happy and thriving in any situation then this is the book for you to get started with Buy it NOW and let your customers get addicted to this amazing book

Letting Go of Stress J. S. Jackson, 2015-11-03 Children aren't immune to stress Kids are especially prone to feel fear before stressful events in their lives Family school and team sports schedules have been crammed into their daily activities so extensively that many children are robbed of their free recreational growth time and an alarming number of kids are experiencing high levels of stress because of this All of these realities can lead to our children having the same kinds of fears and concerns we adults have especially about things they often have no control over In this invaluable book author J S Jackson helps children explore attitudes and ideas to try and diminish some of the stress they feel in their lives
