Cullen,2013-09-25 A History of Moonville Ohio and a Collection of its Haunting Tales Revised Edition is an updated version of a previous work the author had published back in 2008 This revised edition contains more detailed history about Moonville and its surrounding towns such as Zaleski on how they came to be most notably that Moonville was named by the railroad after a general store proprietor rather than the man who had actually founded the town and that Zaleski was named after a Polish French financier who never came to America to see his namesake town This revised edition also contains more haunting tales of what had happened to some of those who had lived and worked in this remote mining town in eastern Vinton County Ohio mainly covering those who had been involved in train accidents surrounding the still standing tunnel as these trains came barreling through the area plus there are a few tales of murder as well There are also a few light hearted tales most notably that of a well known English author who had passed through Moonville on his way to tour America back in the late 1860s as well as a story about some feisty sisters in Athens who took on the expanding railroad There are human interest elements in all of this most notably to me is the story of the Dexters who had been enslaved in Virginia escaping in the 1860s having made their way to Moonville in order to live out their lives in freedom This book is about preserving the history of a mining

town that began back in the 1850s thriving for nearly fifty years before it began its long slide into history though not completely forgotten for it had been once a vital part of Ohio's history especially in the days leading up to the American Civil War and that is why I wrote and revised this work for Moonville's history is a part of Ohio's history **Unfathomable Discoveries: Unraveling Mysteries from America's Haunted Heartlands** Pasquale De Marco, 2025-07-13 Journey into the heart of America's haunted heartlands and uncover the secrets and mysteries that lie hidden beneath the surface This book takes you on a captivating exploration of the country's most enigmatic regions from the windswept shores of the Atlantic to the sun-baked deserts of the Southwest Discover the chilling tales of the Eastern Shore where ghostly sailors and shipwrecks haunt the coast and the Appalachian Mountains where Bigfoot roams the forests and Native American spirits whisper on the wind Unravel the enigmas of the Midwest where UFO sightings fill the night sky and ancient burial mounds hold secrets of long-lost civilizations Venture into the Deep South where voodoo and hoodoo traditions intertwine with the ghosts of the Antebellum South Explore the Southwest where ancient ruins and artifacts hint at a forgotten past and strange creatures lurk in the shadows of the desert Journey to the Pacific Northwest where Bigfoot treads the forests and Native American legends dance in the moonlight From the Rocky Mountains to the West Coast America's haunted heartlands beckon with their stories of the unexplained This book invites you to step into the shadows embrace the unknown and discover the mysteries that lie just beyond the veil of reality Prepare yourself for a journey through America's darkest legends and most enigmatic phenomena Uncover the secrets of haunted lighthouses ghost towns and ancient burial grounds Explore the mysteries of UFO sightings crop circles and unexplained phenomena Discover the legends of Native American spirits voodoo and hoodoo traditions and the ghosts of the Civil War With captivating storytelling and vivid descriptions this book takes you on a journey through the heart of America's haunted heartlands leaving you breathless and eager for more If you like this book write a review *Florida's Ghostly Legends and Haunted Folklore* Greg Jenkins, 2013-03-01 Haunting ancient cemeteries and primitive landmarks as well as modern apartment complexes and highway sides ghosts and restless spirits abound This volume of Florida's Ghostly Legends and Haunted Folklore offers a delightful and somewhat spooky look into the darker side of the south and central areas of the Sunshine State Explore fortress ruins in New Smyrna Beach and keep an eye out for mysterious shadows and dark figures in the nearby forest visit the island of Islamorada where the ghostly remains of Flagler's railway rumble over tracks destroyed in the 1935 Labor Day Hurricane and if you're especially brave walk through the eerie corridors of the mausoleum in Myrtle Hill Cemetery near Tampa where you are sure to hear whispers from the dead or the muffled echoes of a music box Delve into the unknown with Greg Jenkins as he examines the history legend and paranormal rationale behind strange occurrences in many of south and central Florida's haunted locations Get a fresh look at some of the state's most famous ghost stories and learn never-before-heard tales of the strange and the supernatural as you take a trip through Haunted Florida The second volume of Florida's Ghostly Legends and Haunted Folklore covering
