Gas Masks & Palm Trees Virginia Melville Cowart, 2006-10-17 Gas Masks and Palm Trees My Wartime Hawaii belongs on bookshelves next to books about the cause and effects of the December 7th attack It paints a concise picture of changes that occurred on Oahu after the attack on Pearl Harbor I continue the saga where others have left off My personal

chronological account of conditions and changes that took place have been recorded on paper for all to read I was attending high school before December 7th 1941 In July of 1942 I left school temporarily to work in a U S Navy office at Pearl Harbor My position was unique and rewarding I was responsible for correcting Secret Restricted and Confidential publications that were distributed to U S and British Pacific ships and stations I was exposed to two worlds in a wartime atmosphere As a member of the USO Flying Squadron I met and danced with servicemen from practically every state in the Union One of the dances was held in a remote area for Carlson s Marine Raiders where I met the famous Evans Carlson and Second in Command Col James Roosevelt the President s son Life was an adventure for a young girl growing up in wartime Hawaii We were far outnumbered by young males I don t believe that there is anyone else who has written a chronological account of events that happened in wartime Hawaii without additional stories from others This is my story alone and how conditions and changes affected my life Though Hawaii was never the same after the War there were some things that remained the same That was the difference between gas masks and palm trees I try to picture the Hawaii that will survive forever **Sugar News** ,1929 **Hawaiian Almanac and Annual for ...** ,1921 **Planters' Notes** ,1988 Some no include reports compiled from information furnished by State Foresters and others **Annual Report of the Hawaiian Mission Children's Society** Hawaiian Mission Children's Society,1904 **The Real History Of Hawaii: From Origins To The End Of The Monarchy** Brien Foerster,2012-11-30 Hawaii The majority of books written about Hawaii in my experience contain little information about the Hawaiians themselves and especially about their history prior to the arrival of Captain James Cook I lived in Hawaii and learned the oral traditions from the Hawaiians themselves Two major waves of migration occurred there separated by more than 1000 years And it was the interaction battles and melding of these two peoples that make up who the Hawaiians were to become Where did the Hawaiians come from What is a Kahuna Who were the Hawaiian monarchs And how did the US acquire this chain of islands This book answers these questions and many more
