One Touch B. Hennie, 2012-02 It wasn't until I began to write this book that the Lord would begin to reveal everything to me He was pulling a yes from my spirit but I would have to go through this process for him to develop me before he could use me to help someone else I knew I was being led by the Holy Spirit but my flesh my mind had to catch up with my spirit During the process where you have surrendered your will to his will the Lord has dug deep down in you and taken out of you all that is not like him Then he can impart himself in you His Spirit is in control no longer the works of your flesh He has empowered you to do his will Now you can receive the blessings the Lord has promised you I remember many years ago when the Lord spoke these words into my spirit After you have suffered awhile I will restore strengthen and keep you 1 Peter 5:10 But what I didn't know that it would be years later that I would have to go through sickness pain and suffering Through this process he was preparing me for my healing ministry

The Analogy of Love Gary Chartier, 2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians

Harris,2013-07-18 Lynette Harper is having one of the most trying days of her life She goes to the place where she knows that she will find solace her church Little does she know that her life is about to change forever At Hillside Church her past and her present collide when she meets Army colonel David Miller Lynette doesn t know it but David is a man on a mission Their meeting is not a coincidence but part of a divine plan *The Reach That Restores Christ Love For The Broken* Joshua Rhoades,2024-10-22 The Reach That Restores Christ s Love for the Broken is an uplifting and inspiring book that explores how Jesus love can heal and restore those who feel lost or broken The central message of the book is that no matter how deep our pain mistakes or struggles may be Christ s love reaches us where we are and offers us a path to healing Through a mix of stories from the Bible and real life testimonies readers are shown how Christ s compassion extends to all people no matter their circumstances and how His love can restore even the most shattered lives One of the key themes in the book is that brokenness is something we all experience in one form or another Whether it s the result of personal failure loss guilt or deep disappointment we all carry wounds that need healing The Reach That Restores emphasizes that in these moments of brokenness Christ s love is not distant Instead Jesus draws near offering forgiveness hope and restoration The book uses powerful examples from the Bible to illustrate this point such as the story of Peter who denied Jesus three times but was later restored and given a purpose through Christ s love The story of the woman caught in adultery who was forgiven and freed from shame by Jesus is another reminder of the depth of Christ s mercy The book highlights that restoration is not just a one time event It s a process that unfolds over time as we continue to trust in Christ s work in our lives Even after coming to faith we still face struggles setbacks and challenges However The Reach That Restores reassures readers that Jesus is always walking with us guiding us through every trial and gently restoring our hearts The process of healing takes time but Christ s love is patient and ever present helping us grow stronger each day In addition to personal restoration The Reach That Restores calls on readers to be vessels of Christ s love to others Once we ve experienced His healing we are called to extend that same love and grace to those around us The book encourages readers to show compassion to others who are hurting sharing the message of hope and restoration through their own lives By doing so we become part of the work Christ is doing in the world spreading His love and helping others find healing The book is written in a way that is accessible to all readers using clear and simple language to explain deep spiritual truths Each chapter is designed to encourage reflection with thoughtful questions and prayers that help readers connect more deeply with their own experiences of brokenness and restoration Whether you are new to faith or have been following Jesus for many years The Reach That Restores offers insights that will resonate with anyone seeking a deeper understanding of God s love and grace Ultimately this book is about hope hope that no matter what we have been through Jesus love is greater than our pain It is a reminder that in Christ we can find healing and peace His love is powerful enough to restore the most wounded hearts and turn brokenness into beauty The Reach That Restores Christ s Love for the Broken is a message of encouragement for anyone who feels burdened by life s

Theology and the Arts Stephen M. Garrett, Imogen Adkins, 2025-04-24 This volume presents the theology arts conversation from a distinctly Christian perspective as a witness of the Gospel of Christ to the world A widespread interest in the historical socio cultural and political embeddedness of theology and the arts permeates it This theme of embeddedness tracks through several overarching and interlocking concerns the relationship between form and content in both art and theology the intensification of the metaphysical and the theological contra materialist and positivist reductionisms the expansion of the epistemological possibilities of the theology art conversation and a robust understanding of the world as the theatre of God's glory Several chapters have been co written by theologians and artists as part of demonstrating the kind of conversation that this book commends A thorough going commitment to Scripture is also woven into the many different habits of thought represented in this volume Part I surveys different approaches to the theology arts conversation Part II focuses on how particular art forms bring theological issues to the surface and how theological and denominational traditions shape the making and receiving of the arts Part III delves into key topics in the current theology arts scene and asks how artistic and theological performance can both speak to theological and artistic knowing and help to celebrate and interrogate embodied lived reality God So Loved the World Fr. Robert Spitzer, SJ, 2016

In this volume the brilliant Fr Spitzer probes in detail the major question that if an intelligent Creator God manifest in logical proofs scientific evidence and near death experiences who is the source of our desire for the sacred and the transcendental desires for truth love goodness and beauty would want to reveal himself to us personally and ultimately He then shows this is reasonable not only in light of our interior experience of a transcendent Reality but also that a completely intelligent Reality is completely positive implying its possession of a completely positive virtue namely love defined as agape This leads to the question whether God might be unconditionally loving and if he is whether he would want to make a personal appearance to us in a perfect act of empathy face to face After examining the rational evidence for this he reviews all world religions to see if there is one that reveals such a God an unconditionally loving God who would want to be with us in perfect empathy This leads us to the extraordinary claim of Jesus Christ who taught that God is Abba the unconditionally loving Father Jesus claims go further saying that He is also unconditional love and that his mission is to give us that love through an act of complete self sacrifice He also claims to be

the exclusive Son of the Father sent by God to save the world and the one who possesses divine power and authority The rest of the book does an in depth examination of the evidence for Jesus unconditional love of sinners his teachings his miracles and his rising from the dead As well as the evidence for Jesus gift of the Holy Spirit that enabled his disciples to perform miracles in his name and evidence for the presence of the Holy Spirit today If this strong evidence convinces us to believe that Jesus is our ultimate meaning and destiny and desire His saving presence in our lives that evidence should galvanize the Holy Spirit within us to show that Jesus is Lord and Savior the way the truth and the life And our faith in him will transform everything we think about our nature dignity and destiny and how we live endure suffering contend with evil and treat our neighbor
