The Duchess sends her monsters out to steal precious items that belong to the peasants of Drachenberg. Everything is going according to the Duchess's plan for a brief moment. When Princess Dahlia meets Prince Draven a young man who looks identical to the Duke it enrages the Duchess. Consumed with jealousy she only wants to steal one more thing. The heart of the princess. Her monsters do as she says until they realize they are heartless. But if the monsters want hearts they must set everything right. They become determined to show everyone the truth about monsters.
