The Heart of the Matter Bill O'Hearn,1996-03-01 *The Heart of the Matter* Bill O'Hearn,1996-03 The Heart of the Matter is a companion in print that reaches out gently to ease the reader into a tranquil frame of mind Creating a receptive mood for recognition of blessings from the Spirit that dwells in everyone is the simple purpose of *The Heart of the Matter* Bill O'Hearn the man who has spread sunshine and wisdom into the lives of many with his popular book *From the Heart of a Child* now has written laughter hope and inspiration into a book that uplifts guides and restores **Doing Things Right in Matters of the Heart** John Ensor,2007-04-04 There is a radical biblical alternative to much of what is taught and practiced today regarding relationships *Doing Things Right in Matters of the Heart* presents a bold plan for escaping the swift currents of contemporary patterns of hooking up shacking up and breaking up It draws a compelling vision of complementarity between the sexes It instructs men on what to do and informs women on what to look for in their mutual pursuit of a healthy tender long term relationship *The Works of President Edwards. Edited by E. Williams and E. Parsons. With memoirs of his life by S. Hopkins* Jonathan Edwards,1844 *The Works of President Edwards* Jonathan Edwards,1879 **The Works of Jonathan Edwards: Volume II - I** Jonathan Edwards,2017-03-29 Mainly a collection of sermons and discourses on various theological subjects Edwards continues his monumental work on the topics of the Bible that explain simple things such as God's love to more complicated manner of salvation These topics will be an enlightening read for anyone who wishes to study theology in any formal way **From the Heart** Jeffrey L. Kosky,2025-02-25 What does it mean to have a heart How does it feel when a heart fails and what does it take to recover In a world beset by never ending crises personal and collective local and global is heartlessness the only option *From the Heart* weaves together a personal narrative of a life threatening ailment with considerations of philosophy art and science to contemplate ultimate questions matters of life and death Jeffrey L Kosky recounts his brush with death the surgical repair of a congenital defect in his aortic valve his gradual recovery of everyday life and his struggle to find the heart to go on throughout it all To make sense of the experience he immerses himself in humanistic inquiry and medical science the histories of medicine cardiac surgery and knowledge of the human heart as well as the works of artists writers philosophers and theologians Writing about the experience of being human from the precarious position of his own woundedness Kosky shares hard earned perspectives on what matters most Combining moving memoir encounters with major authors and artists and heartfelt reflections on the big questions of existence this elegantly written book is at once erudite and powerful It shows us why the heart in physical emotional and metaphorical senses helps us come to terms with sickness and health dying and living *Living by Thoughts: Creating a Lasting Reality* Lucky Onyeoghani,2024-06-21 An ant dies leaving nothing to be remembered for despite all its struggles to store up food for the future It is a tragedy for humans to live like an elephant but die like an ant Living without conscious thoughts to create a lasting reality leads humans to face the same fate as the ant All the struggles and labours of a person will someday be

forgotten no matter how wealthy and successful they may be The wealth will eventually fall into the hands of those who are not as wise as the ant and all accumulated wealth will be exhausted A person will be forgotten if there is no record of their thoughts for future generations Maximizing the wealth of thoughts is a great privilege allowing one to live like Methuselah the recorded oldest man on Earth Unfortunately neglecting the wealth of thoughts makes one live as a walking corpse A person without conscious thoughts is like a walking corpse The difference between managers and their subordinates as well as the rich and the poor lies in their thoughts The rich think differently and achieve success However wealth and success without a record of thoughts will one day be forgotten What does it profit a person to gain all the wealth and success in the world only to be forgotten Live by recording your thoughts **Where Do I Stand with God, with Man?** Bill

Hamilton,2009-04 The basis of all valid relationships is love We cannot create love we can only accept it as a gift from God Therefore our first love relationship must be established with God and with that relationship intact we can then turn to other humans Our success and or failure in life will depend on how well our thoughts and actions channel God s love to others Page 4 of cover *By Way of the Heart* Mark Oakley,2019-08-30 Mark Oakley is one of the church s most outstanding

communicators In this series of fifty beautifully crafted reflections with characteristic wit he traverses the landscape of the Christian year His writing is shaped by a sense that language is sacramental with a poet s gift of opening up new worlds and new possibilities simply through words The Serpent Kills Or the Serpent Gives Life Robert Sagerman,2011-01-07

Representing a careful contextual study of the writings of the influential Jewish mystic Abraham Abulafia 1240 c 1291 this book demonstrates that an inner dynamic of attraction and revulsion toward Christianity shaped Abulafia s mystical hermeneutic and meditative practice *Continent* ,1916 The Works of Jonathan Edwards, A.M. Renovation of the Heart Dallas Willard,2014-02-27 As Christians we know that we are new creations in Jesus So we try to act differently hoping this will make us more like Him But changing our outward behavior doesn t change our hearts Only by God s grace can we be transformed internally Renovation of the Heart lays a biblical foundation for understanding what best selling author Dallas Willard calls the transformation of the spirit a divine process that brings every element in our being working from inside out into harmony with the will of God This fresh approach to spiritual growth explains the biblical reasons why Christians need to undergo change in six aspects of life thought feeling will body social context and soul Willard also outlines a general pattern of transformation in each area not as a sterile formula but as a practical process that you can follow without the guilt or perfectionism so many Christians wrestle with Don t settle for complacency Accept the challenge Renovation of the Heart offers to become an intentional apprentice of Jesus Christ changing daily as you walk with Him
