## **The Hidden Life Of The Prophet Muhammad:**

**The Hidden Life of the Prophet Muhammad** A. A. Ahmed, 2006-02 It is very rare to find a book in the academic circles and public libraries that speaks about Muhammad of history Most of the books today tell you about Muhammad of faith the founder of Islam In this book I am presenting Muhammad of history his life wars and teachings My accounts are based on the Mothers of the Islamic Books 1 the writings of the Egyptian Muslim liberal thinker Sayyid Mahmoud Al Qimni and the views of some modern Muslim and non Muslim writers What is written in the Mothers of the Islamic Books is called Al Maskoot Anho which means information that people Muslims and non Muslims are not supposed to hear and know Very few ulama or Muslim Scholars of al Azhar al Sharif University read these accounts and hardly speak about them even to one another However modern Egyptian Muslim writers such as Sayyid Mahmoud al Qimni Faraj Foda and Nasr Hamid Abu Zayd endangered their lives by breaking the seals of these books and revealing to the public information about Muhammad that they have never heard before For this reason Faraj Foda was shot dead in front of his office in Cairo Nasr Hamid Abu Zayd fled out of Egypt to escape the death penalty and Sayyid Mahmoud al Qimni was forced to recant all his writings Unfortunately before the outside world would get chance to read their works these writers were silenced through murder terrorization and death threat and their writings are banned in the Muslim world Besides that none of their books have been translated into English or any other western languages In this book I am presenting the reader with the most important contributions of Dr Sayyid Mahmoud al Qimni Accordingly although many books are written about the life and teachings of the Prophet Muhammad however this book is unique because it reveals things you have never heard before and you are not likely to get them in any other biographies of Muhammad No matter what religious background you come from this book is going to change your understanding of Islam and give you better insight into our world today It is a book with no disguises that takes you deep into the life teachings and wars of the Prophet Muhammad The Author Dr A A Ahmed October 21 2005 1

The Mothers of the Islamic Books are books approved by Al Azhar al Sharif University in Cairo Egypt Al Azhar University is the oldest largest and most prestigious religious university in the Muslim world It controls the religious life of the Sunni Muslims around the world 85% of the Muslims in the World are Sunni Muslims

Ottoman women Patrick was president of the Constantinople Woman s College for 34 years protecting the institution through the Balkan Wars World War One the British occupation of Constantinople the demise of the Ottoman Empire and the founding of the Turkish Republic Just as the late Ottoman Empire underwent extraordinary changes so did Patrick transform herself and the Constantinople College to meet the demands of a twentieth century Muslim state ultimately sacrificing her cosmopolitan heterogeneous student body to an ethnically homogeneous one that reflected the newly racialized nationalism of the Turkish Republic Mary Mills Patrick s Cosmopolitan Mission and the Constantinople Woman s College explores Patrick s career from the 1870s to the 1930s tracking her personal religious struggle and her professional transformation from Protestant evangelist to feminist educator to advocate for Muslim women to finally supporter of Turkish nationalism *Self and Secrecy in Early Islam* Ruqayya Yasmine Khan,2008 An original inquiry into the meanings of concealment and revelation in early Arabo Islamic texts In this comparative analysis of the significance of keeping and revealing secrets in early Islamic culture Ruqayya Yasmine Khan draws from a broad range of Arabo Islamic texts to map interconnections between concepts of secrecy and identity In early Islamic discourse Khan maintains individual identity is integrally linked to a psychology of secrecy and revelation a connection of even greater importance than what is being concealed or displayed Khan further maintains that secrecy and identity demarcate boundaries for interpersonal relations when governed by the cultural norms of discretion espoused in these texts As evidence for her study Khan explores religious and literary representations of secrecy in classical texts as diverse as the Qur an the Book of Concealing the Secret and Holding the Tongue by al Jahiz and courtly love poems including the story of Majnun and Layla These works represent divergent approaches to spiritual ethical and romantic life in early Islam yet Khan extrapolates from each a shared construction of secrecy and revelation In advancing our understanding of the dynamic tensions between secrecy and revelation as depicted in these early Arabo Islamic discourses Khan illustrates that the creation of individual identity and subjectivity was inherently tied to these same tensions The resulting analysis opens new vistas for understanding the meanings of secrecy in Islamic studies Qur anic studies Islamic philosophy and mysticism Arabic literary studies as well as European intellectual history **Islam, Politics, and Society in South Asia** André Wink,1991 Sponsored by the Italian National Research Council CNR Committee 9 T p verso This volume contains the proceedings of Panel 4 Islam Politics and Society in South Asia of the 10th European Conference on Modern South Asian Studies held at Venice from 28 September to 1 October 1988 Pref Includes bibliographical references

**Political Islam, Iran, and the Enlightenment** Ali Mirsepassi,2010-12-06 Ali Mirsepassi s book presents a powerful challenge to the dominant media and scholarly construction of radical Islamist politics and their anti Western ideology as a purely Islamic phenomenon derived from insular traditional and monolithic religious foundations It argues that the discourse of political Islam has strong connections to important and disturbing currents in Western philosophy and modern Western intellectual trends The work demonstrates this by establishing links between important contemporary Iranian intellectuals

and the central influence of Martin Heidegger's philosophy. We are also introduced to new democratic narratives of modernity linked to diverse intellectual trends in the West and in non-Western societies, notably in India, where the ideas of John Dewey have influenced important democratic social movements. As the first book to make such connections, it promises to be an important contribution to the field and will do much to overturn some pervasive assumptions about the dichotomy between East and West.
