Bassanese,1997 This is an introduction to the life and literary contributions of a Nobel Prize winner and one of Italy's most distinguished writers Luigi Pirandello It evaluates the significance of his influence on 20th century literature      Pirandello and the Crisis of Modern Consciousness Anthony Caputi,1988      **Modernism in European Drama** Frederick J. Marker,Christopher Innes,1998-01-01 This collection of essays originally published over the last forty years in the journal *Modern Drama* explores the drama of four of the most influential European proponents of modernism in the European Drama Ibsen Strandberg Pirandello and Beckett      The Cambridge Companion to Modern Italian Culture Zygmunt G. Barânski (ed),Rebecca J. West,2001-08-16 This collection of essays provides a comprehensive account of the culture of modern Italy Contributions focus on a wide range of political historical and cultural questions The volume provides information and analysis on such topics as regionalism the growth of a national language social and political cultures the role of intellectuals the Church the left feminism the separatist movements organised crime literature art design fashion the mass media and music While offering a thorough history of Italian cultural movements political trends and literary texts over the last century and a half the volume also examines the cultural and political situation in Italy today and suggests possible future directions in which the country might move Each essay contains suggestions for further reading on the topics covered The Cambridge Companion to Modern Italian Culture is an invaluable source of materials for courses on all aspects of modern Italy      **The Mirror of Our Anguish** Douglas Radcliff-Umstead,1978 Introduces to the English reading public the seven novels and the most typical tales of that writer whose literary fame still rests upon his achievements as a dramatist      **One, None, and a Hundred Thousand** Luigi Pirandello,2024-09-17 *One None and One Hundred Thousand* by Luigi Pirandello is a profound exploration of identity perception and the fluidity of the self In this novel Pirandello presents a protagonist Vitangelo Moscarda who begins to question his sense of self after a casual remark about his appearance This seemingly trivial event leads Moscarda to realize that he is perceived differently by every person he encounters resulting in a crisis of identity The novel delves into themes of existentialism highlighting the disparity between how we see ourselves and how others perceive us Moscarda's journey illustrates the fragmentation of identity as he grapples with the notion that he is not a single fixed individual but rather a multiplicity of selves shaped by the perspectives of others The title itself *One None and One Hundred Thousand* reflects this idea signifying the many versions of a person that exist in the minds of others as well as the elusive nature of true self knowledge      **The Search for Modern Tragedy** Mary Ann Frese Witt,2001 The attempt to apply an aesthetic or literary approach to fascism remains controversial In *The Search for Modern Tragedy* Mary Ann Frese Witt explores the work of a group of European writers and artists who came to fascism by way of aesthetics In Italy and France she maintains an ideological aesthetic of Mediterranean fascism developed to a large extent independently of German Nazism Witt's study of the relationship between fascism and modern tragedy encompasses theoretical writing on tragedy and

tragedies by key authors including Luigi Pirandello Henry de Montherlant and Jean Anouilh She looks at these tragedies in the context of their reception under fascism in Italy and in Vichy France Fascism in the minds of many of its supporters was an aesthetic or spiritual movement although its aesthetic and political elements were often intertwined The Search for Modern Tragedy is not concerned primarily with drama written as a means of conveying fascist propaganda Rather Witt is concerned with the influence of aesthetic fascism on the theory and practice of modern tragedy
