The Law Of Psychic Phenomena

Thomson Jay 1834-1903 Hudson

The Law Of Psychic Phenomena:

The Law of Psychic Phenomena Thomson Jay Hudson, 1896 **The Law of Psychic Phenomena** Thomson Jay Hudson, 1901 *The Law of Psychic Phenomena* Thomson Jay Hudson, 2017-09-08 Originally published in 1901 and republished here by Forgotten Books The Law of Psychic Phenomena A Working Hypothesis is author Thomas Jay Hudson's examination of what is here referred to as psychic phenomena namely hypnotism mental therapeutics clairvoyance ghosts and many other topics that some may consider fantastical The purpose of the book as stated by Hudson is to assist in bringing Psychology within the domain of the exact sciences While there is no disputing that psychology today enjoys the same level of academic and scientific rigour as other fields skeptics may take issue with the phenomena that the author lumps into the field of psychology Hudson begins the book with a discussion on the importance of formulating a working hypothesis before laying out his own The author argues that man has two minds an objective and subjective with the subjective mind amendable to control by suggestion and incapable of inductive reasoning It is with this hypothesis that Hudson carries out an examination of various forms of psychic phenomena This is not a book for the reason minded skeptic to enjoy Much of the text is devoted to what many would classify as the supernatural Nor does the author offer logic based arguments for skeptics rather he dismisses them outright stating I will not waste time however by attempting to prove by experiments of my own or of others that such phenomena do occur It is too late for that The facts are too well known to the civilized world to require proofs at this time The man who denies the phenomena of spiritism to day is not entitled to be called a sceptic he is simply ignorant If you are not willing to go into this book with a blanket acceptance of the supernatural you will likely take issue with many of the passages If nothing else Hudson displays a daring sense of boldness by concluding the book by tackling the subject of Christ and applying his working hypothesis for psychic phenomena to the story of the Bible While an interesting read *The Law of Psychic Phenomena* is simply too short on legitimate proof to recommend as a worthwhile exploration into the topic About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Law of Psychic Phenomena** Thomas Jay Hudson, 2014-03 This Is A New Release Of The Original 1912 Edition **The Law of Psychic Phenomena** Thomas Jay Hudson, 2007-06 In the Law of Psychic Phenomena by author Thomas Jay Hudson Hudson has attempted to create a classification of verified psychic phenomena accounts of which is found in the literature current on the subject and has tentatively formulated a working hypothesis for the systematic study of all classes of psychic phenomena Hudson has

collected a vast array of facts thus accumulated and verified and awaiting scientific classification and analysis which would seem to justify at least a tentative effort to apply to them the processes of induction to the end that the fundamental law of psychic phenomena may be discovered This is an important work for those who are interested in the writings of Thomas Jay Hudson and also those with an interest in understanding psychic phenomena **The Law of Psychic Phenomena -**

Thomson Hudson Thomson Hudson, 2007-11 I do not expect this book to stand upon its literary merits for if it is unsound in principle felicity of diction cannot save it and if sound homeliness of expression cannot destroy it My primary object in offering it to the public is to assist in bringing Psychology within the domain of the exact sciences That this has never been accomplished is owing to the fact that no successful attempt has been made to formulate a working hypothesis sufficiently comprehensive to embrace all psychic phenomena It has however long been felt by the ablest thinkers of our time that all psychic manifestations of the human intellect normal or abnormal whether designated by the name of mesmerism hypnotism somnambulism trance spiritism demonology miracle mental therapeutics genius or insanity are in some way related and consequently that they are to be referred to some general principle or law which once understood will simplify and correlate the whole subject matter and possibly remove it from the domain of the supernatural The London Society for Psychical Research whose ramifications extend all over the civilized world was organized for the purpose of making a systematic search for that law The Society numbers among its membership many of the ablest scientists now living Its methods of investigation are purely scientific and painstaking to the last degree and its field embraces all psychic phenomena It has already accumulated and verified a vast array of facts of the most transcendent interest and importance In the mean time a large number of the ablest scientists of Europe and America have been pursuing independent investigations in the phenomena of hypnotism They too have accumulated facts and discovered principles of vast importance especially in the field of mental therapeutics principles which also throw a flood of light upon the general subject of Psychology This vast array of facts thus accumulated and verified and awaiting scientific classification and analysis would seem to justify at least a tentative effort to apply to them the processes of induction to the end that the fundamental law of psychic phenomena may be discovered In the following pages I have attempted such a classification of verified phenomena accounts of which I find in the literature current on the subject and I have tentatively formulated a working hypothesis for the systematic study of all classes of psychic phenomena It will be observed that I have availed myself largely of the labors of others instead of confining myself to experimental researches of my own I have done this for two reasons first that I might avoid the accusation of having conducted a series of experiments for the purpose of sustaining a pet theory of my own and second because I hold that substantial progress cannot be made in science until one is ready to accord due credit to human integrity and to give due weight to human testimony In conclusion I desire to say that I claim no credit for this work save that which is due to an honest desire to promote the truth for its own sake Sincerely believing in the correctness of my hypothesis I have not

hesitated to follow it to its legitimate conclusion in every field which I have entered If at the close of the book I have seemed to trespass upon the forbidden field of theological discussion it was not for the purpose of sustaining any preconceived opinions of my own far from it It was because I was irresistibly led to my conclusions by the terms of my hypothesis and the inflexible logic of its application I cannot but be aware that my conclusions sometimes oppose the preconceived opinions of others But no one who accepts my hypothesis as the true one will be compelled more frequently than I have been to renounce his former convictions T J H WASHINGTON D C October 21 1892 **The Law of Psychic Phenomena** Thomson Jay Hudson,1892

The Law of Psychic Phenomena Thomas Jay Hudson,2022-05-13 The primary object of this book is to assist in bringing Psychology within the domain of the exact sciences It has long been felt by the ablest thinkers of our time that all psychic manifestations of the human intellect normal or abnormal whether designated by the name of mesmerism hypnotism somnambulism trance spiritism demonology miracle mental therapeutics genius or insanity are in some way related and consequently that they are to be referred to some general principle or law which once understood will simplify and correlate the whole subject matter and possibly remove it from the domain of the supernatural This book explores all areas of the metaphysical world from early philosophics to hypnotism and mesmerism clairvoyance visions right through an overview of the psycho therapeutic practices of that time The phenomena of spiritism is covered in all its forms including contact with the spirit world as well as case histories of witchcraft hauntings and possession The Law of Psychic Phenomena Thomas Jay Hudson,2020-03-30 Thomson Jay Hudson attempts to explain mental phenomena in a way which reconciles with the physical sciences phenomena such as hypnotics spiritual visions subjective memories and the subconscious mind Hudson was fascinated in how the trances of those under hypnosis resembled the spiritual mediums that purportedly could communicate with ghosts and spirits from the beyond Based on these and other observations a theory that humans have at their disposal two minds each capable of different capacities and powers of mental utility Over time Hudson thought argument about the nature of mind to be irrelevant he considered the two minds hypothesis to be irrefutable in the face of psychic phenomena all men have an objective conscious mind and a subjective unconscious mind The spiritism movement and general interest in psychics reached ever greater heights towards the end of the 1800s The Law of Psychic Phenomena published in 1893 summarizes the popular phenomena and strange mental occurrences that had captured popular interest in the foregoing years Though much of Hudson s work on spiritualism and communication with ghosts is disregarded by modern science his notions of human consciousness the two minds theory was influential and would inspire further researches by psychologists and mental researchers **Law of Psychic Phenomena** Thomason Hudson,2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States

The Law Of Psychic Phenomena Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Law Of Psychic Phenomena has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Law Of Psychic Phenomena has opened up a world of possibilities. Downloading The Law Of Psychic Phenomena provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Law Of Psychic Phenomena has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Law Of Psychic Phenomena. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Law Of Psychic Phenomena. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Law Of Psychic Phenomena, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Law Of Psychic Phenomena has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

FAQs About The Law Of Psychic Phenomena Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
