The Legacy Leader:

The Legacy Leader Anthony Lopez, 2003-06 Even now I can recognize a Saturday Road I might be driving alone down the too familiar street on which I live or on a highway hundreds of miles away from home never thinking of a Saturday Road Without expecting it I will be surprised to find one staring at me through the windshield I ll notice the singing of the tires on the asphalt and the endless gray ahead of me will unexpectedly become silver ribbon sparkling shimmering and beckoning to me in the sunlight Houses and flowers by the side of the road will seem to come alive with color sharp and clear I ll come over the crest of a hill and I can see forever the world spread out before I ll get that familiar fluttery feeling inside Perhaps I ll press the accelerator harder for just a moment Then I ll slow it down again I want this to last I ll be aware of every nickel and dime in my pocket I ll start to hum a happy little tune around the works Saturday Road going to town I envision variety store counters with interesting things on them That s my Saturday Road the road to Oz Shangri La and the end of the rainbow This magic road was the most intricate and exciting fantasy I ever devised as a child It meant going to town where the change in my pockets would buy me an assortment of hair bows little tea sets or tiny celluloid dolls and ceramic what knots to add to my collection Or it could mean that I was on my way by bus or train back to the foothills or northeast Alabama for a visit to the beloved place where I was born Most of all the Saturday Road was my escape from the economic poverty in which we lived during the early nineteen forties on the heels of what my parents called The Great Depression The Saturday Road was a state of mind I looked for it everywhere I went and I invariably found it
