The Beauty of Ugliness and the Ugliness of Beauty Anna M. Migdal, Marcell Sebok, 2024-06-01 Beauty and ugliness two extremes that intersect through human experience remain an inexhaustible source of creative inspiration and popular belief In *The Beauty of Ugliness and the Ugliness of Beauty* Materializing Monstrosity in the Middle Ages the editors aim to redefine the concept of the medieval monster by revisiting issues that have received little attention This collection of five essays examines various topics including the stigmatization of disability in clerical circles through canon law decretals the duality of good and evil in the Latin world the image of women in marriage contract negotiations the interpretation of monsters as signs or things and the evolving interpretations of medieval monsters in post medieval contexts

Imagined Frontiers Carl Abbott, 2015-09-10 We live near the edge whether in a settlement at the core of the Rockies a gated community tucked into the wilds of the Santa Monica Mountains a silicon culture emerging in the suburbs or in the future homesteading on a terraformed Mars In *Imagined Frontiers* urban historian and popular culture scholar Carl Abbott looks at the work of American artists who have used novels film television maps and occasionally even performance art to explore these frontiers the metropolitan frontier of suburban development the classic continental frontier of American settlement and the yet unrealized frontiers beyond Earth Focusing on writers and artists working during the past half century an era of global economic and social reach Abbott describes the dialogue between historians and social scientists seeking to understand these frontier places and the artists reimagining them in written and visual fictions This book offers perspectives on such well known authors as T C Boyle and John Updike and on such familiar movies and television shows as *Falling Down* and *The Sopranos* By putting *The Rockford Files* and the cult favorite *Firefly* in conversation with popular fiction writers Robert Heinlein and Stephen King and literary

novelists Peter Matthiessen and Leslie Marmon Silko Abbott interweaves the disparate subjects of western history urban planning and science fiction in a single volume Abbott combines all new essays with others previously published but substantially revised to integrate western and urban history literary analysis and American studies scholarship in a uniquely compelling analysis of the frontier in popular culture **The Cestus Deception: Star Wars Legends (Clone Wars)**

Steven Barnes,2005-12-06 Jedi Knight Obi Wan Kenobi strides and soars and plots and duels again in this stirring new addition to the Star Wars saga This splendid adventure yarn offers a gut wrenching surprise on nearly every page and a knock the socks off ending Publishers Weekly When the economically depressed government of Ord Cestus threatens to sell incredibly deadly battle droids to the Separatists Supreme Chancellor Palpatine dispatches a team led by Jedi Knight Obi Wan Kenobi to the planet Their mission to halt the deal A peaceful resolution is preferable but if all else fails the Republic will not hesitate to demonstrate the consequences of disloyalty by launching a full scale attack wiping out not only the means of biodroid production but countless lives as well The prospect of such a slaughter only fuels Obi Wan s growing suspicions about the sinister path the Republic seems to be taking Facing a crisis of conscience Obi Wan must find the wisdom and strength to prevent a bloodbath and safeguard the Republic while abiding by the ancient code to which he has pledged his life

Historical Dictionary of Science Fiction in Literature M. Keith Booker,2014-10-01 The Historical Dictionary of Science Fiction in Literature is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly valuable as a tool for understanding science fiction literature as it now exists and as it has evolved over the years The Historical Dictionary of Science Fiction in Literature covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students researchers and anyone wanting to know more about this subject **Playgrounds of the Mind** Larry Niven,1992-07-15
