The Legal Profession In England And Wales:

The Making of the English Legal Profession Richard L. Abel,1998 Analyzes barristers and solicitors as a legal profession in England and Wales *The Legal Profession in England and Wales* Richard L. Abel,1988-01-01 **The Ethics and Conduct of Lawyers in England and Wales** Andrew Boon,2023-11-30 The fourth edition of this respected textbook examines the regulation and conduct of lawyers in England and Wales and addresses new developments in the field including those in international practice sexual misconduct and the environment Focusing on the practice of and interrelationship between solicitors and barristers the book provides background to current arrangements while exploring contemporary rules of conduct systems of regulation and controversies The four main parts cover client duties wider obligations key contexts and regulation Parts one to three provide an academic introduction to the subject of lawyers ethics They are suitable as a core text for a semester course at undergraduate level providing grounding for vocational training such as the Solicitors Qualifying Examination Comparisons are made with conduct rules applying in other leading common law jurisdictions where relevant These parts also explore links between the subject of ethics and the development of lawyers practical skills Part four applies the general principles to three elements of regulation practice admission and discipline The approach throughout is socio legal While the essential law is described relevant social science research informs consideration of issues and debates

The Ethics and Conduct of Lawyers in England and Wales Andrew Boon,2014-11-07 This is the third edition of the leading textbook on legal ethics and the regulation of the legal profession in England and Wales As such it maps the complex regulatory environment in which the legal profession in England and Wales now operates It opens with a critical overview of professional ideals organisation power and culture and an examination of the mechanisms of professions exercised through governance regulation discipline and education The core of the book explores the conflict between duties owed to clients loyalty and confidentiality and wider duties to the profession third parties and society The final part applies lawyers ethics to dispute resolution and settlement litigation negotiation advocacy and alternative dispute settlement Now laid out in a more accessible format and written in a more approachable style the book is ideal reading for those teaching and learning in the field of legal ethics *The Legal Profession in England and Wales* Henry Roy Harris,1966 *The Futures of Legal Education and the Legal Profession* Hilary Sommerlad,Sonia Harris-Short,Steven Vaughan,Richard Young,2015-03-26 We are currently witnessing an unprecedented transformation in the legal profession and legal education The Legal Services Act 2007 and the Legal Aid Sentencing and Punishment of Offenders Act 2012 have both enabled and necessitated dramatic structural changes to the profession as well as impacting on its ethos and ethicality The recent Legal Education and Training Review LETR promises similarly dramatic change to the provision of legal education reflecting the shifting landscape of both the legal professional market and Higher Education in general These transformative changes bring both exciting opportunities and challenges with which everyone involved in the law from University lecturers to Senior Partners in leading

law firms to the judiciary must grapple This edited collection comprises a selection of papers presented at the 2nd conference of CEPLER Birmingham Law School s Centre for Professional Legal Education and Research The aim of the Conference and thus this collection was to bring together leading academic scholars senior figures from professional practice policy makers and representatives of the regulatory authorities to reflect on the key issues arising from this transformative moment As such this volume of essays covers diverse ground from curriculum development to professional theory enriched and enhanced by the range of backgrounds and perspectives of its contributors

The Regulation of the Legal Profession in Ireland Maeve Hosier, 2014-08-17 The Regulation of the Legal Profession in Ireland is a new and insightful exploration of history controversy and reform relating to the Irish legal system During recent legislative debate over a professional reform bill Alan Shatter then the Minister of Justice in Ireland publicly called this study in its earlier form as a dissertation marvellous and stated that it should be compulsory reading for us all He noted that the thesis sets out the history of the legal profession and how it evolved It evolved continually until approximately 1870 and then went into paralysis and nothing has changed since It is extraordinarily curious that people think the world stopped in 1870 Professor Laurent Pech formerly of the School of Law at NUI Galway and now Head of the Law Department at Middlesex University London has stated that this study makes a decisive contribution to the on going scholarly and policy debates on this issue by evaluating the present regulatory framework and offering a number of suggestions to improve it in a context of increasing transnationalisation of the market for legal services He added that Hosier s innovative approach to the problem of lawyers misconduct is in particular worth noting This aspect of her work has the potential to help alleviate a problem which has been extremely costly for both the legal profession and wider society alike Her doctoral research also provides a valuable insight into the impact of the Troika upon the regulation of the legal profession in so called bailed out countries Professor Pech concluded that the author should be congratulated for having made an exceptional contribution to the current debate on the regulation of the legal profession both nationally and internationally I have no doubt that her original and thought provoking work will be useful to policy makers and scholars alike This book features Professor John Flood s new substantive introduction explaining the worldwide implications of professional reform efforts the financial crisis that precipitated them and the relation to regulation of the legal profession in other countries It also includes the author s notable examination of the effect of the Troika s bailout conditions on law reform possibilities in Ireland This part of the book was presented in the US at the 2013 annual conference of the Law and Society Association Finally the book adds a section on 2014 developments in reform efforts in Ireland A powerful new addition to the Dissertation Series from Quid Pro Books
