The Letter Of Paul To The Philippians

Ben Witherington (III)

The Letter Of Paul To The Philippians:

Paul's Letter to the Philippians Gordon D. Fee, 1995-07-14 Gordon Fee's study on Paul's letter to the Philippians is a contribution to The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God *The Letter of Paul to the Philippians* Pat Edwin Harrell, 1969

Friendship and Finances in Philippi Ben Witherington (III), 1994-11 Presents an exposition of Paul's letter following an introduction to the background and foreground of Paul and the Philippine letter Applies insights from the social sciences and from Greco Roman rhetoric to Philippians distilling the benefits of these new disciplines for the study of this letter **The Price of Partnership in the Letter of Paul to the Philippians** Mark A. Jennings, 2018-01-25 Mark A Jennings challenges the consensus that there is no clear single purpose that shapes the entire epistle to the Philippians instead arguing that there is significant evidence for Paul to have written the letter with the sole intent of persuading the church to maintain its exclusive partnership with him and his gospel mission Jennings examines each section of Philippians with standard historical critical methods rhetorical criticism and social scientific methods Establishing that Paul's argument is rooted in three fundamental tenets emphasis is first placed on koinonia and the agreement that Paul and the Philippians had entered into regarding his apostolic mission Second Jennings looks at the repeated proofs that Paul offers that simultaneously affirm the ordained superiority of his apostolic mission and repudiate the claims of his rivals Third Jennings analyses the issue of finances in the epistle discussing how Paul rhetorically transforms the Philippians financial support into a salient indicator that they esteem his gospel mission authentic Finally whereas other scholars have argued that Paul entreats the Philippians to be steadfast in their commitment to the gospel of Christ Jennings proposes that Paul urges the church to be steadfast in their commitment to his gospel of Christ Jennings then considers how this seemingly small distinction has profound ramifications for understanding the letter and shows the gap between these interpretations **A Handbook on Paul's**

T. Wright,2004-01-01 Enlarged print edition now available Making use of his scholar s understanding yet writing in an approachable and anecdotal style Tom Wright captures the verve and sparkle of these letters Paul wrote the letters while in prison facing possible death but their passion and energy are undimmed They reveal Paul s longing to see young churches grow in faith and understanding rooted in Jesus himself and to see this faith worked out in practice Wright s stimulating comments are combined with his own fresh and inviting translation of the text Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions The Letters of Paul to the Philippians and to the Thessalonians Kenneth Grayston,1967 A Distant Presence Tim Woodroof,2001 In A Distant Presence Woodroof envisions what life may have been like for believers in first century Philippi Readers feel transported to another time as Woodroof takes them on a journey through ancient Italy and Macedonia providing front row seats to the colorful interactions between the great apostle Paul and his trusted coworkers for the gospel
