The Magic Cup:

The Magic Cup Howard Behar, 2016-03-29 We all love the fairy tales we grew up on creating a world in which good always wins over evil where those whose hearts are true and who do the right thing come out on top But grown up competition for success is rough even cutthroat and we've often heard that nice guys finish last Not according to Howard Behar whose career as one of the three leaders who built the Starbucks organization most definitely proves that nice guys finish first In *THE MAGIC CUP* Behar spins an engaging corporate tale to teach us exactly how we can do the same thing The story revolves around Vince Steadfast the newly named CEO of imaginary manufacturer Verity Glassworks which has fallen on difficult times Vince is hired to help the once iconic company return to its glory days and he brings with him a parting gift from his mentor and former boss a stunning crystal coffee cup from Verity's halcyon days The cup turns out to be magic truly and helps him come to understand and reinvigorate the values that Verity has misplaced along the way As Vince and his new team make their way to and through many challenges including the aptly named Worthy Way Perilous Passage and Arduous Stair the cup fills with a gold elixir and the universal truths that they learn to embrace such as Responsibility Forgiveness and Courage magically become engraved in the glass In the tradition of great parable writers throughout history Behar quickly involves us in an engrossing fantasy continually challenging us to compare each situation with our own real life experiences The story of *THE MAGIC CUP* helps each of us discover that only by acting on sound moral principles can we fill our own cups with the personal and professional success and satisfaction we seek *The Magic cup & other stories* Bibi Bero, 1993 *The Magic Cup : A World of Magika Novel* rajesh k k, 2020-12-31 About Book Four good friends from Bangalore are mysteriously transported to another world called Magika This is a world of magic and is populated by Elves Dwarves Giants and other such fantastic creatures Upon arrival they are told that they've been brought here to help as an evil sorcerer the Dark One has stolen The Magic Cup and now wants to take over the world of Magika Hearing this and having no way to return home the children agree to join a quest to get the Magic Cup back from the Dark One Accompanying them are a dwarf an elf and a troll On the way to the Damned Lands where the Dark One dwells they encounter strange beings face challenges and attacks and have many adventures Their bond of friendship grows stronger and they discover the reason why they've been brought to this world to help In the Damned Lands they finally come face to face with the Dark One who wields the most powerful magic of all Will the children survive Will they ever return to Earth Or will the Dark One use the Magic Cup to become the Lord of Magika About the Author rajesh k k has been writing short stories for children for the past fifteen years and has published in leading newspapers and magazines Earlier in his career he worked in large IT companies but has now taken up writing full time This is his first book *The Magic Cup* Andrew M.
