The Magic Within Allison M. Boot, 2018-04-26 Isabel Benson has recently been crowned Queen of Cinder s Edge but before signing her first royal decree she finds herself questioning whether the kingdom is ready for the changes she is about to put in motion Travel through time as her grandparents help to answer that question by telling their story Natalie a petite silver haired woman with emerald eyes and wrinkles that reflect both the tragedies and triumphs of her life was once a typical young princess Her father s obsession with finding her the perfect suitor and her mother s insistence that she learn to perfect things like the art of curtsying left her wanting nothing more than to break of her parents expectations Blaine Benson is now a white haired man with soulful blue eyes who loves his granddaughter more than life itself Growing up he was like any other guy expect for his physical disability and the fact that his best friend was and still is a treasure troll Hoping to learn how to free his father a once beloved magician from the guilt surrounding the cause of his disability he spent most of his formative years with his nose stuck in a book Go on an adventure with the two as they describe how falling for one another was not by coincidence but the work of forces greater than they ever could have imagine Learn how their love and the love of those around them was put to the test when Glomgurgle a dragon who attacked the kingdom when Natalie was a child lured her to his lair and her father offered her hand in marriage to the suitor who could save her Hear about how with her own happiness and the wellbeing of her kingdom at stake Natalie had to learn trust in the only thing that she could her instincts Listen to how Blaine examined his true abilities as the fate of Natalie the trolls and Cinder s Edge was ultimately put in his hands In the end after hearing the history of her family and kingdom Isabel must decide whether or not she too can trust her instincts and sign a royal decree that will change the fate of Cinder s Edge and its people forever *The Magic Garment*

Rebecca Cunningham, 2019-10-22 Successful costume design requires a solid foundation in general artistic principles and specific knowledge of how to apply those principles Cunningham presents readers with just such a foundation and develops it to expose beginning costume designers to the myriad skills they need to develop in order to costume successful stage productions She begins at the most basic conceptual level reading plays from a costume designer s perspective She then follows through with the practical considerations that must be considered at every stage of the costuming process research development sketching and costume construction Cunningham has built on the long standing success of the outstanding first edition with new figures and updates throughout the text including 24 pages in full color Examples have been selected from a wide range of stage productions representing a variety of designers styles and approaches Interviews with award winning

designers from stage film and other media show the practical importance of the book's concepts Every chapter incorporates material reflecting the ever increasing impact of technology especially computers on costuming New to this edition is an ancillary download package available here giving students a selection of basic figure drawings to serve as the base layer for digital renderings ready made forms and checklists for assembling and organizing costumes for shows and a list of research and reference websites with easily clickable links

The Magic Years Selma H. Fraiberg, 2015-05-05 A pioneering work on early childhood development that is as relevant today as when it was first published 60 years ago To a small child the world is an exciting but sometimes frightening and unstable place In *The Magic Years* Selma Fraiberg takes the reader into the mind of the child showing how he confronts the world and learns to cope with it With great warmth and perception she discusses the problems at each stage of development and reveals the qualities above all the quality of understanding that can provide the right answer at critical moments

The Magic of Pockets Jess Driscoll, 2022-10-11 Transform your wardrobe with this step by step guide to sewing pockets into your favorite clothes With simple instructions and line drawings this book teaches six basic pockets with suggested alterations to customize each pocket to your wardrobe needs while learning the history of what pockets looked like and why they remain a political tool today All the projects are designed for beginner sewists and most can be made by hand with no specialty tools or machine required For every pair of pants with the pockets sewn shut for every skirt with nowhere to put your hands for every jacket missing a place to put your cash there is one dress with pockets big enough to hold your entire world Finding that one feels like finding a lucky clover among the grass But clothes with pockets should not be so rare There are reasons why spoiler alert it's about patriarchy and capitalism and this book will teach you some of the history of fashion and politics but more importantly this book will teach you how to fix the problem yourself With the skills in this book you can make your old clothes useful again This book is for sewists who don't always have the time and energy to make a whole garment and it's also for those beginners who have never used a needle and thread This book is for people who aren't satisfied with clothes as they are and want to make a change Most of all this book is for everyone because everyone deserves pockets

The Magic of Fashion Brian Moeran, 2016-06-16 Drawing on 20 years of ethnographic fieldwork and anthropological theory anthropologist Brian Moeran argues that fashion magazines are able to cast a spell over their readers by using practices and rituals found in age old magical and religious rites

The Magic Pot Ishmael Odeen Ishmael, Odeen Ishmael, 2010 This book comprises a collection of popular folk stories from Guyana and other countries of the Caribbean region The starring character in all of them is Nansi whose exploits form part of the folklore of these countries Nansi the starring character in all the stories is also popularly known as Anansi But in Guyana and some other Caribbean countries Nansi the shortened form of this name is usually preferred Nansi who is a spider but who sometimes takes the qualities or form of a man or even half man and half spider is originally the chief trickster among the Ashanti and Akan peoples of West Africa When some of these peoples were forcibly brought to the Caribbean and the

American continent as slaves from the sixteenth to the nineteenth centuries they also brought with them the tales of the exploits of Nansi who was and still is variably regarded as a folk hero a cunning trickster and also sometimes as a fool The stories in this book are no different to the ones told in West Africa or other parts of the Caribbean and the south east United States even though the plots and the characters involved may vary slightly They certainly provide tangible evidence that much of the oral traditions of people of African origin in the Americas remain intact despite the historical trauma caused by centuries of slavery Nansi is always outwitting the forest creatures humans his own family the community in which he lives and sometimes even deities His character assumes various patterns In some cases he is regarded as wise but he can be greedy cunning gluttonous stupid and dishonest Despite these varying characteristics Nansi is generally admired for the manner in which he outwits others In Guyana and other countries of the English speaking Caribbean particularly in rural areas the exploits of Nansi are related by older people as a form of entertainment at wakes and other community gatherings The stories are now no longer exclusive to people of West African ancestry since people of all ethnic origins in these countries regard Nansi as their folk hero as well Interestingly all stories told at these informal community gatherings are regarded as Nansi stories even though Nansi may not be a character in any of them The tales of Nansi are very imaginative and they are so embedded in the minds of people of Guyana and the Caribbean that sometimes any story that is far fetched and hard to believe is dismissed as a Nansi story

The Stinkozimus Wenna Kelborne, 2012-09-26 Forced to move to their gran's house when their father loses his job the story begins when Christian witnesses a strange creature emerge from a hole beneath the garden shed Determined to capture it Christian invites his cousins for a sleepover thereby following a weekend of adventure and mayhem as the children make friends with the creatures whose home in a prehistoric cavern underneath the woodland comes under threat from a nearby mining site With the help of his eccentric gran his sister and her madcap cat Socks Christian and his cousins hatch a plan to save the prehistoric site But with his dad now working for the mining company will Christian and the children succeed in helping their furry friends save their home And what secrets does the cavern hold
