The Makeover:

The Makeover Jillian Brooks, 2003 When their friend Felicia begins to ignore them after a makeover makes her the most popular sixth grader at school Arielle Amanda and Traci vow to teach her a lesson **Makeover TV** Brenda R. Weber, 2009-11-20 Examines the phenomenon of makeover television in order to explore how these shows participate in cultural debates about body modification empowerment gender roles and personal responsibility The Television Genre Book Glen Creeber, 2015-08-16 Genre is central to understanding the industrial context and visual form of television This new edition of the key textbook on television genre brings together leading international scholars to provide an accessible and comprehensive introduction to the debates issues and concerns of the field Structured in eleven sections The Television Genre Book introduces the concept of genre itself and how it has been understood in television studies and then addresses the main televisual genres in turn drama soap opera comedy news documentary reality television children s television animation and popular entertainment This third edition is illustrated throughout with case studies of classic and contemporary programming from each genre ranging from The Simpsons to Buffy the Vampire Slayer and from Monty Python s Flying Circus to Who Wants to be a Millionaire It also features new case studies on contemporary shows including The Only Way Is Essex Homeland Game of Thrones Downton Abbey Planet Earth Grey s Anatomy and QVC and new chapters covering topics such as constructed reality travelogues telefantasy stand up comedy the panel show 24 hour news Netflix and video on demand queerqueen Claire Maree, 2020-06-30 queerqueen examines the editing and writing of queer excess through the constructed character of the queerqueen Through Japanese print digital and audiovisual media Claire Maree demonstrates how collaborative practices of commercial language labor configure queerqueen styles as crossing into popular media via the body of the authentically queer male Maree shows how this process then re produces stereotypes of gender sexuality and desire that are essential to mainstream entertainment **Reality TV** Annette Hill, 2005 Drawing on quantitative and qualitative audience research to understand how viewers categorize the reality genre From Animal Hospital to Big Brother this book examines the voices of people who watch reality programmes **The Language of Organizational Styling** Lionel Wee, 2015-01-22 The ways in which commercial organizations and service providers style themselves creating the image they wish to portray to their potential consumers is a long established area of research in the fields of sociology and business studies However language also plays an important role in organizational styling something which until now has been largely overlooked in the literature This is the first book length study of the linguistics of organizational styling looking at the language and semiotic resources used by holiday resorts pharmaceutical companies restaurants and insurance companies in order to project their identities and style themselves It discusses in detail a number of case studies and presents an innovative take on the notion of style as well as bringing together work from linguistics business studies and sociology This interdisciplinary book will be of interest to scholars and advanced students in

sociolinguistics and scholars of sociology and business studies *Surface Imaginations* Rachel Alpha Johnston Hurst, 2015-11-01 Versatile trendy and resilient the global cosmetic surgery industry shows no signs of decline especially with its promises not just of aesthetic improvement but of absolute transformation Introducing the concept of surface imagination Rachel Hurst discusses the fantasy that a change to the exterior will enhance the interior or that the outside is more significant because it fashions the inside Drawing on psychoanalysis feminist theory popular culture the history of medicine and interviews with women who have undergone cosmetic procedures Hurst explores the tensions between the two primary surfaces of cosmetic surgery the photograph and the skin The photograph an idealized surface for envisioning the effects of cosmetic surgery allows for speculation and retouching predictably and without pain The skin on the other hand is a recalcitrant surface that records the passage of time and heals unpredictably Ultimately Hurst argues the fantasy of surface imagination corroborates the belief that one's body is mutable and controllable and that control over one's body permits control over one's social emotional and mental suffering Acknowledging the varied experiences and opinions of the patients interviewed but also critiquing the promises made by the industry *Surface Imaginations* develops an innovative approach to thinking about cosmetic surgical transformations through the seduction of surfaces **Religion and Reality TV** Mara Einstein, Katherine Madden, Diane Winston, 2018-04-17 Why is reality television flourishing in today's expanding media market *Religion and Reality TV Faith in Late Capitalism* argues that the reality genre offers answers to many of life's urgent questions Why am I important What gives my life meaning How do I present my best self to the world Case studies address these questions by examining religious representations through late capitalist lenses including the maintenance of the self the commodification of the sacred and the performance of authenticity The book's fourteen essays explore why religious themes proliferate in reality TV audiences fascination with lived religion and the economics that make religion and reality TV a successful pairing Chapters also consider the role of race gender and religion in the production and reception of programming *Religion and Reality TV* provides a framework for understanding the intersection of celebrity media attention beliefs and values The book will be of interest to students and scholars of religion and media studies communication American studies and popular culture *Actor-Network Theory at the Movies* Björn Sonnenberg-Schrank, 2020-01-29 This book is one of the first to apply the theoretical tools proposed by French philosopher Bruno Latour to film studies Through the example of the Hollywood Teen Film and with a particular focus on Actor Network Theory ANT the book delineates how Teen Film has established itself as one of Hollywood's most consistent and dynamic genres While many productions may recycle formulaic patterns there is also a proliferation of cinematic coming of age narratives that are aesthetically and politically progressive experimental and complex The case studies develop a Latourian film semiotics as a flexible analytical approach which raises new questions not only about the history types and tropes of teen films but also about their aesthetics mediality and composition Through an exploration of a wide and diverse range of examples from the past decade including

films by female and African American directors urban and rural perspectives and non heteronormative sexualities Actor Network Theory at the Movies demonstrates how the classic Teen Film canon has been regurgitated expanded and renewed
