Gunman's Reckoning Max Brand, 2019-11-20 In *Gunman's Reckoning* Max Brand intricately weaves a tale steeped in the rugged essence of the American West. The narrative follows the troubled life of Gunner, a man caught in the moral ambiguities of revenge and redemption, all set against the backdrop of frontier justice. Brand's literary style, characterized by vivid descriptions and intense psychological depth, invites readers into a world where the line between hero and villain is often blurred. This gripping novel not only entertains but also provokes introspection on themes of loyalty, guilt, and the harsh realities of living by the gun. Max Brand, the pen name of Frederick Schiller Faust, was a prolific author known for his diverse contributions to the Western genre. His own experiences in the transformative years of the early 20th century, coupled with an extensive background in screenwriting, provided him with unique insights into creating compelling narratives filled with depth and authenticity. Brand's works often reflect his fascination with the complex nature of masculinity and the struggles of individuals confronting their past. *Gunman's Reckoning* is a must-read for those who appreciate greater depth in the Western genre, offering a rich exploration of the human condition through the lens of adventure. Readers are invited to journey alongside Gunner as he navigates his tumultuous world, making this book not only a thrilling ride but also a profound commentary on life and choices.

Gunman's Rendezvous Max Brand, 2015-01-20 A wounded gunslinger fights for his life in this collection of three classic stories from one of the most popular Western authors of all time. Luck is initially on Cheyenne's side in *Gunman's Bluff* as he manages to kill one Martin brother and wound the other in a shootout. But in the process, Cheyenne himself is shot in the shoulder, and it will be a while before he'll have use of his right hand. But with the Martin family immediately out for revenge, Cheyenne doesn't have time to heal, and he'll need more than just one good hand to keep him alive. Torridon tells the story of Paul Torridon, raised from the age of seven by his family's archrivals, the Bretts. Over the years, the hatred between the local clans slows to a simmer until one day a majestic Brett family colt becomes a one-man horse to none other than Paul Torridon. Finally, in the title story, wealthy rancher Oliver Lane is believed to be near death. Lane's will calls for his entire fortune to be passed along to his drifter nephew, Sandy Lane, but only if Sandy should return before a set date. After that, it's all up for grabs for Henry Barnes, and Barnes is not one to leave such matters to chance. Max Brand has been captivating audiences for generations with his vivid tales of wild frontier exploits. *Gunman's Rendezvous* finds the legendary author in top form, spinning three edge-of-your-seat stories that find rugged heroes in life and death situations.
