*The
Malcontent*
John Marston

edited by
George K. Hunter

The Malcontent Revels Plays S

Michael Scott

The Malcontent Revels Plays S:

The Selected Plays of John Marston Macdonald Pearman Jackson, Michael Neill, 1986-08-29 This edition brings five of Marston's most interesting plays together in a readable and helpful form. They are collected with modern spelling, full commentaries, textual notes, and introductions in texts newly edited from the original quartos. A survey of criticism of Marston is included. The edition of *Sophonisba*, a play highly praised by T. S. Eliot, is the first modernised text to appear in one hundred years. Another textual innovation is the relegation to an appendix of Webster's obtrusive additions to *The Malcontent*. Marston's plays have enjoyed popular revivals in English theatres over the last decade, and the author's commentary is designed to alert readers to theatrical effects. The playwright's language is elucidated here far more fully than in any other collection.

The Drama of John Marston T. F. Wharton, 2000 Celebrating the 400th anniversary of John Marston's debut as a professional playwright, this collection of critical essays on his work by leading scholars in the early modern field discovers in the de-centred, hilarious but unsettling work of this idiosyncratic Renaissance dramatist an uncannily post-modern voice. Always at odds with his contemporaries, the censor and sometimes his own audience, Marston is shown to be a deeply conflicted figure, but the qualities which estranged him from previous critical eras are precisely those that are now instantly accessible. This volume's essays, the themes of which coincide both in contemporary currents in literary theory and criticism and in the plays of John Marston, reveal at every turn the full extent of his ambiguity towards politics, gender, and the very medium he wrote for and in.

John Marston's Plays Michael Scott, 1978-06-17

John Marston's Drama George L. Geckle, 1980 A work of historical criticism that offers new interpretations of the nine plays attributed solely to John Marston. Explores his use of literary, historical, and intellectual sources and focuses on recurrent major images and themes in the plays.

Shakespeare's Theatre: A History Richard Dutton, 2018-01-02 Shakespeare's Theatre: A History examines the theatre spaces used by William Shakespeare and explores these spaces in relation to the social and political framework of the Elizabethan era. The text journeys from the performing spaces of the provincial inns, guild halls, and houses of the gentry of the Bard's early career to the purpose-built outdoor playhouses of London, including the Globe, the Theatre, and the Curtain, and the royal courts of Elizabeth and James I. The author also discusses the players for whom Shakespeare wrote and the positioning or dispositioning of audience members in relation to the stage. Widely and deeply researched, this fascinating volume is the first to draw on the most recent archaeological work on the remains of the Rose and the Globe, as well as continuing publications from the Records of Early English Drama project. The book also explores the contentious view that the plot of *The Seven Deadly Sins*, part II, provides unprecedented insight into the working practices of Shakespeare's company and includes a complete and modernized version of the plot. Throughout, the author relates the practicalities of early modern playing to the evolving systems of aristocratic patronage and royal licensing within which they developed. Insightful and engaging, Shakespeare's Theatre is ideal reading for undergraduates, postgraduates, and scholars of literature and

theatre studies Tragicomedy David L. Hirst, 2022-04-26 In this brief study originally published in 1984 David Hirst examines the meaning of the term tragicomedy by elucidating the most important theories of the genre and by analysing those plays which represent its most vital and influential expression He draws a distinction between tragicomedies and conceived as a careful fusion of contrasted dramatic elements and as a mixed genre which seeks to exploit a volatile combination of theatrical extremes In the first part he compares neo classical romance and satire The plays of Shakespeare Fletcher and Corneille seen in the context of the literary theory of Guarini are contrasted with Marlowe and the writers of revenge tragedy The second part examines the conflict of Romanticism and realism in nineteenth and twentieth century theatre Shaw Chekhov and the Absurdist are viewed in relation to the key theories of tragicomedy expounded by Brecht Artaud and Pirandello The study concludes with a consideration of certain significant contemporary plays by Edward Bond Peter Nichols and Peter Barnes in the context of the historical development of the genre **Shakespeare Studies** Susan Zimmerman, Garrett Sullivan, Linda Neiberg, 2007-10 Contains essays and studies by critics and cultural historians from both hemispheres This title features essays on Shakespeare's tragedies in the context of early modern cultural history It also includes reviews that consider studies of such historical issues as gender and literacy sexual practices and England's cultural encounters with Italy Shakespeare and His Contemporaries E. A. J. Honigmann, 1986 Old, Bold and Wont Be Told Yvonne Oram, 2013-06-15 Old women in Early Modern plays are stereotypically presented as ugly randy mouthy mad So Shakespeare is rare among dramatists of the day for his lively and empowering depictions of ageing ladies This well researched accessible book looks at the way his old women subvert the stereotypes There is particular focus on Paulina in *The Winter's Tale* as a uniquely powerful old woman *The Malcontent* John Marston, 2000 *The Malcontent* usually considered to be John Marston's masterpiece is one of the most original plays of the Elizabethan theatre complex in genre structure and language A major reason for the play's preeminence lies in the balance it achieves between the opposite claims of laughter and horror This edition has notes designed for modern undergraduate use and the introduction has been rewritten to take into account the most recent scholarship

Decoding **The Malcontent Revels Plays S**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**The Malcontent Revels Plays S**," a mesmerizing literary creation penned with a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring impact on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
