James L. Kugel

The Man Who Saw The Face Of God:

The Man Who Saw the Face of God George Craig McMillian, 2003 A true adventure story of spiritual search The author leads us through the dark side of religion Sorcery betrayal torture insanity and war then out the other side into a new startling and healing revelation of the Universal Christ He then puts his revelations to the test while living with the Muslims as a peace worker during the Bosnian war *The Man Who Saw the Face of God* George McMillian (Kirantana), 2003-11-21 Kirantana The Man Who Saw the Face of God leads us into an honest and adventurous description of the dark side of religion and spiritual search Sorcery betrayal torture insanity and war then out the other side into one of the most startling and healing revelations of the Universal Christ ever put to words in modern literature With the writing of this book Kirantana has created a new authentic form of western Tantra a new way of practicing Christianity far from the rut of conceptual knowledge and into the actual visceral experience of Communion for us all Having lived in Sarajevo as a peace worker during the Bosnian war he gives new insight into the clash of Western religions that transcends all religions not by exclusion but rather by lovingly blending them internally in himself creating a new joyous coherence that becomes a doorway into a happier millennium This was a Christ unlike I had ever heard or read of before This was a Christ for today A Christ that could be understood by all people cultures religions and philosophies that search for truth justice and harmony A Christ for artist sensualist with a little effort even the atheist could grasp this vision I saw the way of peace by seeing that we all came from one common origin as all boundaries were dissolved and I merged into the Infinite called God in the language of our time This book is more than a new philosophy Kirantana takes his visions into the front lines of war and while in meditation with American and other NATO soldiers brings back visions of the balanced use of crazy wisdom compassion He shows us that only by unflinchingly meeting the conflicts of the world head on with this compassion will we be initiated into a new paradigm to give up our ancient habit of learning by pain and instead learn even more by joy and loving kindness to ourselves to each other and to our planet *Seeing the Face of God* Puttagunta Satyavani, 2014-09-14 The expression the face of God is a familiar one to Bible scholars and its meaning has long been a point of disagreement especially in its use with the verb to see While some scholars dismissed the expression as merely a metaphor with little significance others have compared it to the face of gods and goddesses of the ANE religious context where worshippers sought an audience with their divine king Scrutinising previous scholarship and based on careful exegesis of several crucial passages in the Pentateuch this publication presents the motif seeing the face of God in an entirely new context of divine self revelation **"Understanding" the Trinity** Will Daniels, 2009-02-26 Understanding the Trinity is a revolution in Christian thought and philosophy True Christianity is a Jewish religion established and organized by Jews Gentiles were invited by Jews with God's approval to participate in the Christian movement However Gentile Leaders in most Christian Churches of the world today do not preach the original Christian gospel message of salvation that was first delivered to the saints by the apostle Paul Galatians 1:8-9

Understanding the Trinity Three Persons vs Three Manifestations will bring us back to the original gospel message the oneness of God and the power of God's name in the face of Jesus Christ Deuteronomy 6:4 Luke 2:11 When Billy G Newton Bishop Diocesan of the 29th Episcopal District Pentecostal Assemblies of the World Inc Pastor of the Word of God Church read this book he said This book was so fascinating I couldn't put it down When Kevin Seraaj M Div J D Senior Pastor Cornerstone Baptist Church Publisher Central Florida Advocate News read this book he said Understanding the Trinity is a timely relevant and extremely provocative piece of work In a time when the church must be challenged to move out of old ways notions thoughts and traditions this book will without question provide a forum for much needed theological discussion For students of the Bible this book is a must read for it is always that process of reading analyzing and debating that enables us to move forward in both our personal and spiritual journeys Great job Author's Note You have in your possession the true gospel of Jesus Christ Don't let the birds steal your seeds Matthew 13:3-13 KJV

The Bible As It Was James L. Kugel, 1997 Leading us chapter by chapter through the Hebrew Bible's most important stories from the Creation and the Tree of Knowledge through the Exodus from Egypt and the journey to the Promised Land Kugel shows how a group of anonymous ancient interpreters radically transformed the Bible and made it into the book that has come down to us today
