The Man Without a Country Edward E. Hale, 2024-11-23 *The Man Without a Country* first appeared in the *Atlantic Monthly* for December 1863 It was the author's wish that it be published anonymously in the hope that it might be ascribed to some officer of the Navy but unfortunately the man who compiled the year's index for the magazine which was mailed with the December number recognized Dr Hale's handwriting and gave him credit for it in the index The story was written during the darkest period of the Civil War and this war is perhaps the gloomiest period in the history of our great republic in the history of our great Republic it was written at a time when one half of the people in the United States were burning with patriotism and were ready to lay down their lives to preserve the Union while the other half were striving to disrupt what to them was merely a confederation of States in no wise binding and were damning the United States even as did Philip Nolan at that time

when the President was bending low under the weight of sorrow for the loss of thousands of noble men who were falling in battle and was enduring in pitiful silence the villification that was heaped upon him by the copper head opposition at a time when patriotism was preached in the pulpit sung by our poets and exhaled with every breath The story launched in such an atmosphere met with immediate favor It was reprinted everywhere without regard for copyright and was translated into several foreign languages It was accepted by many as a narrative of actual facts and provoked many discussions as to whether Philip Nolan was a real person some even went so far as to identify him The man without a profession Charles Rowcroft,1844 *Modern Classics, Containing The Man Without a Country* ,1865 The Man Without a Country and Other Tales Edward Everett Hale,2008-10-01 A collection of short stories by Civil War era author Hale including a short fantasy entitled My Double and How He Undid Me
