Manatee County s history is filled with tales of Native American battles shipwrecks and the expeditions of Hernando de Soto It s no surprise that spirits still linger on these sunny shores Anna Maria Island s first permanent resident still returns to the island more than one hundred years later to flirt with the female tourists A convict hanged in the county courthouse in 1907 is sometimes heard singing on the courthouse grounds In the 1970s the specter of a blond woman was seen hitchhiking along the old Skyway Bridge only to vanish once she d been picked up Join author and paranormal investigator Liz Reed on a tour of Manatee County s most haunted locales *The Encyclopedia of Murder and Mystery* B. Murphy,1999-12-09 Bruce Murphy s Encyclopedia of Murder and Mystery is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories authors titles plots characters weapons methods of killing movie and theatrical adaptations What distinguishes this encyclopedia from the others in the field is its critical stance *The Murder Artist* John Case,2004-10-12 The bestselling author of The Genesis Code and The Eighth Day now strikes his most harrowing chord with a chilling novel that pushes suspense to nearly inhuman limits As a television news correspondent Alex Callahan has traveled to some of the most dangerous corners of the globe covering famine plague and war He s seen more than his share of blood and death and knows what it means to be afraid But what he s never known is the terror that grabs him when on a tranquil summer afternoon he ceases to be an observer of the dark side and to his shock becomes enmeshed in it Separated from his wife and struggling not to become a stranger to his six year old twin sons Alex is logging some all too rare quality time with the boys when they vanish without a trace amid the hurly burly of a countryside Renaissance Fair Then the phone call comes A chilling silence slow steady breathing and the familiar plaintive voice of a child Daddy complete the nightmare and set in motion a juggernaut of frenzy and agony The longer the police search exhausting leads without success the deeper Alex s certainty grows that time is running out And when at last telltale signs reveal a hidden pattern of bizarre and ghoulish abductions Alex vows to use his own relentless investigative skills to rescue his children from the shadowy figure dubbed The Piper Whoever this elusive stranger is the profile that slowly emerges from previous crimes involving twins from the zealously secret world of professional magicians and from the eerie culture of voodoo suggests that The Piper is a predator unlike any other A twisted soul hell bent on fulfilling an unspeakably dark dream A fiend with a terrifying true calling What Alex Callahan is closing in on is a monster with a mission Manatee Insanity Craig Pittman,2010-05-09 The quiet manatee has long been a flash point of frequent environmental debates It is Florida s most famous endangered species as well as its most controversial Manatees appear on hundreds of license plates attract hordes of tourists and expose the uneasy relationships between science and the law and between freedom and responsibility like no other animal As passions have flared and resentments have grown the battle over manatee protection has evolved into a war and no reporter has

followed the story more closely than Craig Pittman the first environmental writer to explore the complex history culture and science of the controversies and concerns surrounding this remarkable creature With an abiding interest in the uncertain fate of this unique species Manatee Insanity provides the first in depth history of the attempts to provide legal protection for the manatee Pittman follows Florida s gentle giants through time and space detailing interactions with a variety of human actors from Jacques Yves Cousteau to Jeb Bush to Jimmy Buffett from a popular children s book author to a federal lawyer who dressed in a gorilla suit for the ultimate undercover assignment Smile Beach Murder Alicia Bessette,2022-05-10 From author Alicia Bessette comes an all new mystery series featuring Callie Padget a former reporter turned bookshop clerk in the Outer Banks who is pulled into a deadly web of secrets when a mysterious fall at a lighthouse echoes a tragedy from her past When Callie is laid off from her reporting job she returns to her hometown of Cattail Island and lands a gig at the local bookstore the same one where she found comfort after her mother died In fact the anniversary of her mother s infamous death is approaching Years ago Teri Padget tumbled from the top of the lighthouse As islanders are once again gossiping about the tragedy devastating news strikes the lighthouse has claimed another victim Eva Meeks of Meeks Hardware The police are calling it suicide but Callie does not believe Eva jumped any more than she believes her mother did especially because Callie knows that before her death Eva had dug up a long forgotten treasure hunt that could have put a target on Eva s back In Callie s search for answers she enlists the help of some beloved books and several new friends including the handsome local martial arts instructor Toby Dodge But when another death rocks Cattail Island Callie must face her fears alone As she earns enemies in pursuit of the truth Callie knows she will either uncover the killer or become a victim herself Mystery Writers of America s Lilian Jackson Braun Memorial Award nominee **Murder on a Horse Trail** Ralph Daugherty,2004-04-26 Ralph Daugherty is a computer programmer who was drawn to the Chandra Levy case based on coverage of the critical clues to her disappearance found on Chandra s computer He has posted over 7 000 comments as rd on Chandra boards on the Internet and has set up his own board dedicated to Chandra Levy Laci Peterson and missing women at www.justiceforchandra.com He has now pulled together the reported facts with his analysis and questions honed by discussions with hundreds of other posters since Chandra s disappearance This complex mystery is a compelling story and Murder On A Horse Trail tries to do justice to that story
