The Mandaeans The Last Gnostics

Andrew Phillip Smith

The Mandaean The Last Gnostics:

The Mandaean Edmondo F. Lupieri, 2001-11-07 The book is made even more valuable by the inclusion of an extensive anthology of translated Mandaean texts complete with notes This collection of writings presents the spiritual world of Mandaeanism with fragments of mythical theological texts and pages of ethical and historical meditations **BOOK JACKET**

The Mandaean Edmondo Lupieri, 2002 In an engaging style that mirrors the interesting nature of his subject Edmondo Lupieri portrays the traditional way of life of the Mandaeans still found living today in Iraq and Iran and introduces readers to the world of Mandaean ideas including the view that they are the only ones on earth who possess the true and oldest faith

John the Baptist and the Last Gnostics Andrew Philip Smith, 2016-08-16 This fascinating study of the Mandaeans of Iraq considered the last of the Gnostics traces their history back to John the Baptist and the days of early Christianity Among the casualties of western intervention in Iraq and ISIS are the Mandaeans of Southern Iraq These peace loving people are now fleeing to the west They are the last Gnostics the only surviving remnant of the ancient sects who taught the direct knowledge of God created their own gospels and myths and were persecuted as heretical by the church in the second and third centuries The Mandaeans place weekly river baptisms at the center of their religious life and the primary exemplar of their religion is none other than John the Baptist So what is the real history of this mysterious and long lived sect Can the Mandaean peoples really be traced back to the first century And who was John the Baptist This book follows the history of the Mandaeans from their present plight back through their earliest encounters with the West their place in Islamic countries their possible influence on the Templars back to their origins as a first century baptismal sect connected to John the Baptist and beyond **The Rowman & Littlefield Handbook of Christianity in the Middle East** Mitri Raheb, Mark A. Lamport, 2020-12-15

This work represents the current and most relevant content on the studies of how Christianity has fared in the ancient home of its founder and birth Much has been written about Christianity and how it has survived since its migration out of its homeland but this comprehensive reference work reassesses the geographic and demographic impact of the dramatic changes in this perennially combustible world region The Rowman Littlefield Handbook of Christianity in the Middle East also spans the historical socio political and contemporary settings of the region and importantly describes the interactions that Christianity has had with other major minor religions in the region **The Gnostics** Andrew Phillip Smith, 2012-01-01

According to the ancient Gnostics the early Christians who wrote such controversial texts as the recently discovered Gospel of Judas we are all capable of gnosis or direct knowledge of the true reality that lies behind the material world Andrew Phillip Smith author of respected works on the lost sayings of Jesus the Gospel of Philip and other Gnostic subjects now offers a highly accessible layman's introduction to this long suppressed philosophy that offers an intriguing alternative to accepted Christian beliefs With references to The Da Vinci Code The Matrix and other fictions inspired by the Gnostic worldview this is an eye opening and possibly life changing book meant to revive forgotten traditions and perhaps even allow readers to

experience gnosis themselves **The Secret History of the Gnostics** Andrew Phillip Smith, 2015-11-24 Learn more about the myths practices history and recent resurgence of Gnosticism as a Gnostic scholar seeks to answer why this Christian mystical movement has inspired the likes of Dan Brown and Philip Pullman The Secret History of the Gnostics offers long awaited illumination on the mystical movement that teaches gnosis knowledge of God as opposed to unquestioning faith Acclaimed author Andrew Phillip Smith delves into the myths and practices of this ancient movement exploring its popularity during 2nd century AD its subsequent decline under the weight of orthodoxy in the Church and its present day resurgence Gnosticism has travelled a fascinating path from the Manichaeans in Modern Persia between the 3rd and 7th centuries AD to the triumphs and tragedies of the Cathars in Southern Europe between the 12th and 14th centuries to finally today's Mandaean in Iraq However as the author points out the revival of Gnosticism extends further than these narrow sects offering inspiration to a legion of literary figures including Dan Brown and Philip Pullman Gnosticism's emphasis on personal over organized religion in keeping with the doctrine of the early Christian era during which it thrived has found particular resonance with today's multicultural world In addition to discussing the Gnostic gospels and the sect's practical beliefs and customs The Secret History of the Gnostics is also in effect a manifesto an appeal to those inspired by or drawn to the Gnostic faith not to forget its origins **The Gnostic World** Garry W. Trompf, Gunner B. Mikkelsen, Jay Johnston, 2018-10-03 The Gnostic World is an outstanding guide to Gnosticism written by a distinguished international team of experts to explore Gnostic movements from the distant past until today These themes are examined across sixty seven chapters in a variety of contexts from the ancient pre Christian to the contemporary The volume considers the intersection of Gnosticism with Jewish Christian Islamic and Indic practices and beliefs and also with new religious movements such as Theosophy Scientology Western Sufism and the Nation of Islam This comprehensive handbook will be an invaluable resource for religious studies students scholars and researchers of Gnostic doctrine and history **Gnostic Visions** Luke A. Myers, 2011-04 Gnostic texts are filled with encounters of strange otherworldly beings journeys to visionary heavenly realms and encounters with the presence and spirit of the divine In Gnostic Visions author and Gnostic scholar Luke A Myers presents evidence demonstrating how Gnostic visions were created and the connection these visions have to naturally occurring visionary compounds that are still in existence today The culmination of more than ten years of research Gnostic Visions advances the understanding of classical ethnobotany Gnosticism and the genesis of early Christian history In this book the author discusses the prehistoric foundations of early human religion as well as the visionary religious traditions of the classical Greeks and Egyptians Using these as a foundation the book presents new and never before seen research explaining how Gnostic visions were created and what types of compounds were used by these ancient people to create them Gnostic Visions presents evidence directly linking visionary Ayahuasca analogs with the creation of Gnostic and Hermetic visionary experiences Gnostic Visions also describes the decline of Gnosticism other visionary practices used in the Dark Ages and

gives a brief tour of the visionary plants of the new world In Gnostic visions Myers tells of his personal experience with the divine and includes some of his own reflections of the importance of mankind s relationship to the natural world He communicates that altered states of consciousness have been responsible for many of the most profound mystical religious experiences in human history

The Mandaean--Baptizers of Iraq and Iran Karen Baker,2017-09-28 The secrets of a complex belief system that have sustained the Mandaean in their centuries old native lands in Iraq and Iran have been collapsing before their eyes This little known Gnostic sect has been hidden from global awareness until now With a passion for the obscure Karen Baker has delved into this secret sect exploring the effects of the turmoil they have faced in their homeland and are now facing in Diaspora The Iraqi and Iranian Mandaean have fled their homes with nothing more than the clothing on their backs being thrust into the status of refugees watching their traditions and cultures crumble as they encounter new lands and new cultures This book discusses the potential receptivity of Mandaean to Christianity through several perspectives including an evaluation of their relationship to the Gnosticism of the first through third centuries CE as well as its syncretic adaptations to Judaism Christianity and Islam It will be of interest to those interested in little known cultures from a historical and religious perspective those involved with refugees and immigrants and those who desire to understand the foundational beliefs of Mandaean

The Mandaean Jorunn Jacobsen Buckley,2002 The Mandaean were a gnostic sect that arose in the Middle East around the same time as Christianity This text examines the lives and religion of contemporary Mandaean and provides an introduction to the religion showing how its ancient texts inform the living religion and vice versa
