Sins Of The Seventh Sister:

Sins of the Seventh Sister Huston Curtiss, 2004-05 Fearful he would not be believed on one hand but desirous of the freedom to embellish on the other Curtiss chronicles that time in *Sins of the Seventh Sister* a book he characterizes as a novel based on a true story of the gothic South

Sins of the Seventh Sister Huston Curtiss, 2003 *Sins of the Seventh Sister* Huston Curtiss, 2003 How many times have you thought this has got to be true no one could make this up Well in 1929 Huston Curtiss was seven years old living with his beautiful opinionated mother whose image is on the cover of this book and surrounded by their romantic fiercely independent and often certifiably insane relatives Huston has never before written about that time an era of racism and repression a time when this country was still relatively young an age of quirky individualism and almost frontier style freedom that largely has ceased to exist Fearful he would not be believed on one hand but desirous of the freedom to embellish on the other Curtiss chronicles that time in *Sins of the Seventh Sister* a book he characterizes as a novel based on a true story of the gothic South It is his story and the story of the people of Elkins West Virginia a small town whose inhabitants included his mother Billy Pearl Curtiss and her many sisters all stunning blondes Billy Pearl would prove to be an irresistibly romantic figure in her son's life She was the seventh of eleven children all girls to her father's consternation By the time of her arrival her father felt he had been patient enough and insisted on calling her Billy he taught her everything he had intended to impart to his firstborn son She would grow up to be one of the most beautiful women in the county but also one of the most opinionated and liberal Her aim was so precise that she was barred from the local turkey shoot because none of the men had a chance against her When a Klansman accused her of attempted homicide after she shot him through the shoulder to stop him from setting fire to the home of her black neighbors she told the sheriff If I had meant to kill him he'd be dead And with that defense she was exonerated Curtiss Farm was large and the house had many rooms which Billy Pearl got in the habit of gathering people to fill especially the downtrodden who had nowhere to go In May 1929 Billy Pearl brought home a boy from the local orphanage Stanley was sixteen the age at which the orphanage kicked children out and Billy Pearl knowing his sad history could not allow him to end up on the streets Stanley had witnessed his father beat his mother to death in a drunken rage and had taken a straight razor and slit his father's throat while he slept A country judge had the boy castrated to control his aggressive ways Not a boy but not yet a man Stanley was tall willowy and frightened as a colt upon his arrival at Curtiss Farm not at all the playmate for whom Huston had hoped But quickly a friendship developed between the two that would last a lifetime a friendship that would survive murder suicide madness and Stanley's eventual transformation into Stella a singer who would live her adult life as a glamorous woman *Sins of the Seventh Sister* is brilliantly conceived and masterfully written as alive with flamboyant characters and wildly uncontained emotions as any book to come out of the South

Sins of the Seventh Sister Huston Curtiss, 2001-01-01 Huston Curtiss's early life in West Virginia reads like fiction but every word is true In 1929 when Huston

known to his family as Hughie was seven years old his mother took in a boy from the local orphanage Not just any boy Stanley was a 16 year old who had been hauled into jail at the age of 10 for slicing his drunk father s throat with a straight razor after the man beat his mother senseless one time too many As punishment the boy was castrated and sent to an orphanage before coming to live with the Curtisses a family of eccentric and affectionate Southerners The relationship that develops between Hughie and Stanley will last a lifetime and span Stanley s metamorphosis into Stella a world famous opera star who lived her entire life as a woman married and became a mother without anyone save Huston knowing about her past Filled with fascinating characters that leap off the page this beautifully written memoir of the gothic South is similar to the works of Eudora Welty or Flannery O Connor in its ability to both transport and entertain and give us characters we feel we have always known

9 Sisters Cursed Since Birth Na 'Veah Rose,2018-01-10 9 Sisters CURSED Since Birth is about Lilith Darkmore who was a single mother struggling to raise 9 kids in the hard knock life of New York She practically had no one to turn to because her husband consistently deceived depressed devalued and then deserted her Her sisters were resentful and her brothers were barbaric however the most hurtful part of it all was that she didnt have a father and her mother Vivian despised everything about her She didnt give Lilith that motherly love them motherly kisses nor did she hold her hands through all those dark places The bottom line is that Vivian faltered and failed as a parent For those reasons Lilith didnt have the fuel that empowered her to do the impossible because she was nave vulnerable and lost in this cruel world until she found God But when she became so caught up in her religious life she didnt realize that her kids were feeling less important They had no father barely had a mother and they were very disturbed about being the unfortunate kids on the block therefore they all begin to gradually change The 9 girls unstable life had triggered the inherited evil blood that was flowing within them which had a huge impact on their behavior Thats when the family begin to unravel because the 7 deadly sins had taken control over their souls Anger conquered them all because they were bitter about the lives they were given For that reason Greed defeated them since they desired what they never had and would do anything to get what they wanted Some of their weaknesses was Slothfulness for they didnt work hard towards progression due to their persistent ignorance and disadvantages Yet Envy played a huge role towards the sisters who made achievements but in this family Pride wont let them acknowledge ones accomplishments instead Gluttony caused some of them to Lust over and try to destroy what the other sister have because they wanted to feel loved and equally important These Challenges stand strong in the Daevas family and the only way to subjugate their sins relies strictly within themselves So can their curse be reversed Or will it continue to condemn their bloodline their appearance and the unity in the Daevas family
