Sins of Deception Randy Roeder, 2023-06-13 There s nothing like the collapse of your every claim to human decency to take the edge off the day Cletus Efferding has everything going for him a beautiful fianc e a successful business dinners at the Cedar Rapids Country Club and a luxurious penthouse condo awaiting his arrival There s just one problem Cletus has difficulties with the truth and his deceptions catch up with him With his life in shambles a reluctant Cletus undertakes a mission to rescue the young man responsible for his downfall and return him unharmed to the arms of a loving sister Gone are the days of lunches with bank presidents as Cletus finds himself in the New Mexican desert sharing brown rice with delusional cult members Cut off from the outside world Clete discovers a community where nothing is as it appears to be followers are virtual prisoners and those seen as threats to a paranoid leadership disappear His world grows steadily smaller until he discovers the true meaning of life survival The Little Sins of daily life ,1855 *ASAP Recovery* Chuck Chapman, 2024-10-28 The Bible says freedom is the birthright of every child of God who has been born again into His Kingdom Therefore whether you are here for sin addiction loss brokenness burnout needing a fresh move of God in your life or to find healing for the pains of the past or for your damaged emotions the Word of God promises that this freedom is available to all of His children And yet how many people do you know who are truly walking in this promised freedom *ASAP Recovery Building on the Right Foundation* addresses this disconnect between promise and experience by firmly reestablishing three foundational truths that the church has always believed but forgotten somewhere along the way All of the Bible is Inspired or written by God 2 Timothy 3 16 17 All of the Bible is Inerrant or without errors Psalm 18 30 All of the Bible is Infallible or incapable of failing to deliver on any of the things it says it will Isaiah 55 11 The reason these three foundational truth claims should matter to those in the church and especially to those of us in the recovery community is If you don t believe the first claim that God wrote the Book then you will never believe the second claim that it is without errors And if you never believe this second claim then you will never trust in nor experience for yourself the victory that the Word of God offers you over any and all addictions and willful sin in its third claim to be infallible By the end of this book you will know beyond a reasonable doubt that the Bible is the very words of God Himself and therefore above reproach thus establishing it as the only foundation to build our life and recovery on Furthermore you will also find that no matter who you are where you ve been what you ve done or how far gone you may be this book was written to take both the addicted and defeated Christian alike down the same path of Scripture until they arrive at their destination and heart s desire freedom ABOUT THE AUTHOR Having lost everything Chuck Chapman came to know Christ while in jail in 2007 Today he is the founder and director of *ASAP Recovery Inc* a faith based recovery program for those seeking cure over maintenance for any addiction or life controlling issue He is also the Pastor of Recovery Community Church in Covington KY Chuck has a major burden for biblical truth as well as the lost especially those who are bound by addiction He is a graduate of Teen Challenge

International of Southwest Florida having overcome his own demons of addiction After rehab Chuck went on to acquire a Bachelor s Degree in Bible and Theology from God s Bible School College in Cincinnati Ohio He is also an ordained pastor in the Church of the Nazarene Chuck is the author of ASAP Recovery Tearing Out the Old Foundation and It Is Written A Field Guide to Spiritual Warfare He has now been sober and working with people in recovery and the church for over sixteen years His partner in ministry is his supportive wife Lisa They are currently in the process of writing the third book in the ASAP Recovery series

The Original Sin and Human Diseases Hanna Rizk Wannas MD FRCS ED FICS, 2014-01-30 This text is unique it is the first book of its kind that challenges the theory of evolution by the word of God In the text it will be proved beyond doubt that the word of God is powerful with a two edged sword It divides asunder and exposes the counterfeit and the false Not only that but it proves the validity of the arguments by using medical and surgical studies of the patients ailments The author is a scientist and a surgeon He studied anatomy and embryology in full details that makes him argue with confidence The doctrine of creation has a solid foundation which is the true word of God The author used the results of surgical procedures that are done by spiritual knowledge compared to others done by natural man whose knowledge is based

on the theory of evolution These have changed the procedures from difficult and complicated to a single day procedure with financial gains to the patient and to the public The relation between sin diseases and death is studied and proved beyond doubt The salvation by justification sanctification and righteousness is explained and also proved beyond doubt Man is created and evolved to a higher degree of holiness by the working power of the Holy Spirit contrary to evolution by genetic mutation and natural selection that might promote the man to a high intellectual standard but this usually brings low moral value with it that at the end lead to death from moral decay alcoholism and drug addiction The evolution is produced by knowledge and experience and it carries with it away from God all the destructive elements to humans *True Destiny* Erica Wilkins,2014-03-18 True Destiny is based on the True Gospel of Jesus Christ who God sent into this world to set the captives free from bondage and to save them that are lost to call them to acknowledge that they are sinners and to confess their sins by repenting and turning away from their wicked ways And to turn to him trusting him to shape and form their ways as he guides their steps into a life of Freedom Love and Peace down a path of righteousness into a journey that cant be explained but only experienced by purposed destiny filled with unspeakable joy as you are led into a world of riches and glory not made by man God Bless You All In Jesus Name Jesus Is Coming Repent **T&T Clark Handbook of Analytic Theology** James M. Arcadi,James T. Turner,2021-01-28 This handbook provides theological and philosophical resources that demonstrate analytic theology s unique contribution to the task of theology Analytic theology is a recent movement at the nexus of theology biblical studies and philosophy that marshals resources from the analytic philosophical tradition for constructive theological work Paying attention to the Christian tradition the development of doctrine and solid biblical studies analytic theology prizes clarity brevity and logical rigour in its exposition of Christian teaching Each contribution in this volume offers an overview of specific doctrinal and dogmatic issues within the Christian tradition and provides a constructive conceptual model for making sense of the doctrine Additionally an extensive bibliography serves as a valuable resource for researchers wishing to address issues in theology from an analytic perspective **What Happened on the Cross** Nick Peros,2020-08-07 What Happened on the Cross offers a new and biblical understanding of how salvation was accomplished upon the cross showing that the Penal Substitution view common since the 1500s does not have a biblical basis and also showing that the Christus Victor understanding is inadequate The book is founded upon the understanding that Jesus Christ is the Second Adam and that is the foundation of how we are to understand how salvation was accomplished Both the shedding of blood and death were essential in the accomplishment of salvation and What Happened on the Cross shows why these were essential Using over 740 Scripture verses to make its argument the book gives a comprehensive picture from Genesis to Revelation of the many aspects involved in the accomplishment of salvation above all showing clearly that the cross had nothing to do with punishment for sins our sins were never punished upon the cross rather our sins were forgiven Understanding how salvation was accomplished upon the cross and that it was about forgiveness not punishment both exalts
