Pearls Donna Nabors,2013-04 Imagine opening a jewelry box As you carefully raise the lid the most beautiful music you have ever heard begins to play Peering inside you see precious gemstones surrounding a polished strand of pearls against a black velvet lining This isn't just any jewelry box It's your spiritual jewelry box Pearls are the foundational piece placed in our spiritual jewelry box When you don't know what to pray don't know how to pray and don't even want to pray you can open your jewelry box and pull out Pearls In the same way an oyster covers an irritant in its shell with a substance called nacre producing a pearl we can coat the issues in our lives with the nacre of prayer and also produce pearls Pearls outlines five essentials for a richer prayer life focusing on how Jesus words it is better to give than to receive relate to prayer These words are often related to our money our time or our service Pearls takes a step further and shows how giving to God through prayer in five areas enriches your prayer life and draws you into a closer relationship with Him Pearls is about praying It provides a fresh look at a subject that will never grow old *A Word from the Word & a String of Pearls* Don Anderson,Pearl Anderson,2004-03

Redemption As A Literary Icon Dr. Fr. Binoj Mathew, O.S.S.T.,2021-07-21 Concept of Redemption in the Selected Works of Nathaniel Hawthorne and Graham Greene A Comparative Perspective in the Light of the Catholic Theme of Redemption as Elucidated by John deMatha and the Trinitarians is an English Literature book that analyzes the selected works of Nathaniel Hawthorne and Graham Greene The intended objective is to demonstrate how the Catholic theme of redemption influence these authors the primary source for which is the Holy Bible A critical and interpretative framework for the thematic analysis of literary texts focused on the idea of redemption has been created based on the above findings Applying the framework on these authors suggests that life is a journey from egoism to glorification which is also a journey to self emptying It is a gradual transformation of the human self to the divine self The book's conclusion consolidates the findings of the analysis and makes a comparative evaluation of the contrasting readings of the novels of Nathaniel Hawthorne and Graham Greene It also gives new levels of fiction readings with the theme of redemption The framework structure created in chapter IV to analyze the various nuances of redemption in English Literature will serve as a tool to explore further works *New-Church Messenger* ,1912

Portals & Pearls

Sherri Stevens,2017-07-25 What if what you know about God just ain t so Portals can be rather inconspicuous and elusive but when we find one of these obscure openings we discover that it can be a divine door that ushers us out of darkness and despair into a whole new dimension of freedom Unfortunately because of negative encounters we may have had with churchy people or the guilt and condemnation we may have suffered under religious teaching we end up being driven away and rightly so from any further involvement with religion A portal for the purpose of this book symbolizes a gateway of knowledge and understanding into God s grace and truth intended to bring to light the gospel of Jesus Christ to lead us out from behind the iron bars of false beliefs that may be enslaving us This book was written to display God s prismatic promises and the biblical wisdom God has provided for us as answers and antidotes to the various problems we may encounter in life An exposition of the Parables Benjamin Keach,1856 *The Cambridge Companion to the Literature of the American Renaissance*
