Hoogenboom,2005-08-15 Details the life and exploits of Sir Francis Drake an early English slave trader and pirate who successfully sailed around the world *Sir Francis Drake EBook* Don Nardo,2015-09 Yo ho ho Join our terror on the high seas as stories of famous pirates from around the world are retold in this fast moving series for kids in grades 3 through 6 each book includes an analysis page in each chapter that helps the kids understand what is real and what might have been fictionalized over time Each book provides a concluding chapter that recounts for the kids whether the pirate is more legend or mostly truth The story of Blackbeard is undeniably a thrilling one that is best classified as a mystery But one might also call many parts of it a fantasy We know of course that Edward Teach or Edward Thatch was a real person But much of what we think we know about his alter ego Blackbeard is almost certainly fiction Could a headless body actually swim around a ship three times Science tells us this is preposterous But many gray areas exist between the simple fact that Blackbeard was an actual person and the absurd idea that he was superhuman Was he indeed a murderer or just very good at making people think that he was a merciless killer At least some reputable sources are convinced that he wasn t just acting ruthlessly National Geographic calls Blackbeard the worst and perhaps the cruelest pirate of them all These books correlate well to common core standards that ask students to read stories and literature as well as more complex texts that provide facts and background knowledge in areas such as science and social studies Students will be challenged and asked questions that push them to refer back to what they ve read This stresses critical thinking problem solving and analytical skills that are required for success in college career and life **You Wouldn't Want to Explore With Sir Francis Drake!** David
