Sister of the Road Bertha Thompson, 2013-03-01 Bonded Leather binding Sister of the Road Box-Car Bertha, Ben Lewis Reitman, 1937 *Marginal People in Deviant Places* Janice M. Irvine, 2022-07-25 *Marginal People in Deviant Places* revisits twentieth century ethnographic studies of deviance arguing that ethnographies that focus on marginal subcultures ranging from Los Angeles hoboes to men who have sex with other men in St Louis bathrooms to taxi dancers in Chicago to elderly Jews in Venice California produce new ways of thinking about social difference more broadly in the United States Irvine demonstrates how the social scientists who told the stories of these marginalized groups offered an early challenge to then dominant narratives of scientific racism and then offers a social history of certain American outsiders and a prehistory of the academic fields of ethnic studies and sexuality studies Through the stories Irvine recounts in this book she identifies an American paradox represented in a simultaneous desire for and rejection of outsiders and describes the rise of an outsider capitalism that integrates difference into American society by marketing it Place plays a crucial role in this work as Irvine examines its role in shaping ethnographies about outsiders and therefore understandings of social difference Irvine has visited the sites of each of the ethnographies about which she writes collecting photos videos and archival materials that will help readers understand the importance of place in the generation of particular ethnographic stories The open access online edition of this book is richly illustrated to help convey the deep sense of emplacement of the ethnographies discussed in this book and includes a series of interviews with sociologists about how they conduct their work and understand their forebears

Daughters of the Great Depression Laura Hapke, 1997-01-01 *Daughters of the Great Depression* is a reinterpretation of more than fifty well known and rediscovered works of Depression era fiction that illuminate one of the decade's central conflicts whether to include women in the hard pressed workforce or relegate them to a literal or figurative home sphere Laura Hapke argues that working women from industrial wage earners to business professionals were the literary and cultural scapegoats of the 1930s In locating these key texts in the don't steal a job from a man furor of the time she draws on a wealth of material not usually considered by literary scholars including articles on gender and the job controversy Labor Department Women's Bureau statistics true romance stories and fallen woman films studies of African American women's wage earning and Fortune magazine pronouncements on white collar womanhood A valuable revisionist study *Daughters of the Great Depression* shows how fiction's working heroines so often cast as earth mothers flawed mothers lesser comrades harlots martyrs love slaves and manly or apologetic professionals joined their real life counterparts to negotiate the misogynistic labor climate of the 1930s Women Adrift Joanne J. Meyerowitz, 1991-03-12 A sociological study of independent women employed outside the home in the years between 1880 and 1930 when women were traditionally expected to stay home until they married **Revenge Capitalism** Max Haiven, 2020-05-20 Capitalism is in a profound state of crisis Beyond the mere dispassionate cruelty of ordinary structural violence it appears today as a global system bent on

reckless economic revenge its expression found in mass incarceration climate chaos unpayable debt pharmaceutical violence and the relentless degradation of common life In *Revenge Capitalism* Max Haiven argues that this economic vengeance helps us explain the culture and politics of revenge we see in society more broadly Moving from the history of colonialism and its continuing effects today he examines the opioid crisis in the US the growth of surplus populations worldwide and unpacks the central paradigm of unpayable debts both as reparations owed and as a methodology of oppression *Revenge Capitalism* offers no easy answers but is a powerful call to the radical imagination

Vagabonds, Tramps, and Hobos Owen Clayton, 2023-08-10 The most enduring version of the hobo that has come down from the so called Golden Age of Tramping 1890s to 1940s is an American cultural icon signifying freedom from restraint and rebellion to the established order while reinforcing conservative messages about American exceptionalism individualism race and gender Vagabonds Tramps and Hobos shows that this pioneer hobo image is a misrepresentation by looking at works created by transient artists and thinkers including travel literature fiction memoir early feminist writing poetry sociology political journalism satire and music This book explores the diversity of meanings that accrue around the hobo and the tramp It is the first analysis to frame transiency within a nineteenth century literary tradition of the vagabond a figure who attempts to travel without money This book provide new ways for scholars to think about the activity and representation of US transiency
