Sisters of the Spirit William L. Andrews, 1986-07-22 Sisters of the Spirit should interest a wider audience These fascinating accounts can stand on their own Mr Andrews has made them even more accessible by providing a comprehensive introduction and helpful footnotes but he does not intrude on the text itself New York Times Book Review informative and inspiring reading The Journal of American History Jarena Lee Zilpha Elaw and Julia Foote underwent a revolution in their own sense of self that helped to launch a feminist revolution in American religious life and in American society as a whole

Two Sisters in the Spirit Hans Urs Von Balthasar, 2012-11-07 Balthasar s unique volume on Th r se of Lisieux and Elizabeth of the Trinity presents a theological biography of each of these holy Carmelite sisters which gives profound insights into their spirituality showing that their differences actually complement one another Balthasar probes the depths of the contemplative mission of each of these young Carmelites who both died in their twenties and gave powerful witness to the critical importance of contemplation as a means to holiness Each woman is clearly shown as a daughter of her Carmelite heritage with her own emphasis Th r se s discovery of the little way of love and Elizabeth s focus on the indwelling of God in the soul *Sisters of the Spirit* William L. Andrews, 1986 **Sisters of Dust, Sisters of Spirit** Karen

Baker-Fletcher, 1997-12-01 Karen Baker Fletcher cultivates the earthy potential of black womanism In her rich prose and poetry she combines reflection on her own journey with a keen awareness of environmental racism and a constructive religious vision She seeks to recover and renew the strong historic tie of black and native peoples to the land often broken by migration and urbanization And she deftly tills the biblical and literary metaphors of dust and spirit to address the embodiment of God Spirit Christ creation and humans seeding a powerful justice oriented spirituality of creation Its earnest reflective character makes this small volume ideal for individual adult study or classroom use by all who wish to grow closer to the earth and to God **Two Sisters in the Spirit** Hans Urs von Balthasar, 1992 *Two Sisters in the Spirit* Hans Urs

von Balthasar, 1992 Balthasar s unique volume on Th r se of Lisieux and Elizabeth of the Trinity presents a theological biography of each of these holy Carmelite sisters which gives profound insights into their spirituality showing that their differences actually complement one another Balthasar probes the depths of the contemplative mission of each of these young Carmelites who both died in their twenties and gave powerful witness to the critical importance of contemplation as a means to holiness Each woman is clearly shown as a daughter of her Carmelite heritage with her own emphasis Th r se s discovery of the little way of love and Elizabeth s focus on the indwelling of God in the soul *Sisters of the Holy Spirit and Mary Immaculate, The* Cecilia Gutierrez Venable and the Sisters of the Holy Spirit and Mary Immaculate, 2018 For 125 years the Sisters of the Holy Spirit and Mary Immaculate served the poor and in particular people of color They are the first order of sisters founded in Texas Their foundress Margaret Mary Healy Murphy built the first Catholic African American school and church in San Antonio the second in the state of Texas The sisters carried their mission and work beyond the Lone Star State

s borders and included most of the South and a few metropolitan areas of the North They crossed the Rio Grande and had several missions in Mexico and traversed a new continent when they opened a learning center in Zambia The sisters were primarily known as educators and in later years worked in religious education and pastoral ministry They have also operated orphanages and nursing homes and served in hospitals homeless shelters incarceration facilities and immigration residences The school they built over 100 years ago now known as the Healy Murphy Center serves the community as an alternative high school and the sisters still teach there Sisters in the Spirit Venita Lewis,2011-11-16 Women many times try to carry things within ourselves along with the cares of the world without taking the time out to explore what is going on inside of us As women of God we go about our daily lives trying to take care of our families and go about church work We are no exception to the rule we must also take care of ourselves I ve been led to share with the women of God poetic encouragement and inspiration to help them deal with and explore their inner selves and to become able to release some of the things that we ve held on to for many years the secret things within our hearts that has caused deep hurt pain and scars I have been through many things and through His grace God he has kept me without Him they would have killed me But thanks be unto God which giveth us the victory through our Lord Jesus Christ 1 Corinthians 15 57 My mission is to help other sisters in the spirit see themselves through God s eyes and be released to become free in God and to live out their divine destiny
