Six War Years 1939 1945 Memories Of Canadians At Home And Abroad:

Six War Years, 1939-1945 Barry Broadfoot, 1980 *Out of the Shadows* Brereton Greenhous, W.A.B. Douglas, 1996-07-26

First published in 1977 this accessible general overview of Canada's contribution to the Second World War and of the war's effect on Canada's evolution. This revised edition incorporates new information particularly in the realms of intelligence and cipher allowing new interpretations of policies and operations. It also makes new judgements on Canadian generalship.

The Norton Book of Modern War Paul Fussell, 1991 Selections from poetry and fiction describe the 20th century's major conflicts. **The Patriotic Consensus** Jody Perrun, 2014-09-29 When the Second World War broke out Winnipeg was Canada's fourth largest city home to strong class and ethnic divisions and marked by a vibrant tradition of political protest. Citizens demonstrated their support for the war effort through their wide commitment to initiatives such as Victory Loan campaigns or calls for voluntary community service. But given Winnipeg's diversity was the Second World War a unifying event for Winnipeg residents. In *The Patriotic Consensus* Jody Perrun explores the wartime experience of ordinary Winnipeggers through their responses to recruiting, the treatment of minorities and the adjustments made necessary by family separation. **The Other Side of the Bridge** Mary Lawson, 2006-09-26 From the author of the beloved 1 national bestseller *Crow Lake* comes an exceptional new novel of jealousy, rivalry and the dangerous power of obsession. Two brothers, Arthur and Jake Dunn, are the sons of a farmer in the mid 1930s when life is tough and another world war is looming. Arthur is reticent, solid, dutiful and set to inherit the farm and his father's character. Jake is younger, attractive, mercurial and dangerous to know, the family misfit. When a beautiful young woman comes into the community, the fragile balance of sibling rivalry tips over the edge. Then there is Ian, the family's next generation, and far too sure he knows the difference between right and wrong. By now it is the fifties and the world has changed a little but not enough. These two generations in the small town of Struan, Ontario, are tragically interlocked, linked by fate and community but separated by a war which devours its young men, its unimaginable horror reaching right into the heart of this remote corner of an empire. With her astonishing ability to turn the ratchet of tension slowly and delicately, Lawson builds their story to a shocking climax. Taut with apprehension, surprising us with moments of tenderness and humour, *The Other Side of the Bridge* is a compelling, humane and vividly evoked novel with an irresistible emotional undertow.

Armored Thunder Daniel Bräun, 2024-08-08 The Sherbrooke Fusilier Regiment was a Canadian armored regiment attached to the 2nd Canadian Armored Brigade which landed on the beaches of Normandy on D Day in support of the 3rd Canadian Infantry Division and then fought through France, Belgium, Holland and Germany until VE Day. As an independent armored regiment, it was assigned to support various infantry formations. As such, it fought the first major tank battle on European soil when it went up against the panzers and panzergrenadiers of the 12 SS Panzerdivision Hitlerjugend on 7 June 1944. Its tanks entered Caen on 9 July and then took part in the advance to and the clearing of the town of Falaise. From there, the regiment pursued the retreating German forces.

towards the Seine River at Rouen In a subsequent book the author will explore the regiment's battles through Antwerp the Scheldt the Rhine River and the Hochwald Gap *Captain Marvel and the Art of Nostalgia* Brian Cremins,2017-01-03 Billy Batson discovers a secret in a forgotten subway tunnel There the young man meets a wizard who offers a precious gift a magic word that will transform the newsboy into a hero When Billy says Shazam he becomes Captain Marvel the World's Mightiest Mortal one of the most popular comic book characters of the 1940s This book tells the story of that hero and the writers and artists who created his magical adventures The saga of Captain Marvel is also that of artist C C Beck and writer Otto Binder one of the most innovative and prolific creative teams working during the Golden Age of comics in the United States While Beck was the technician and meticulous craftsman Binder contributed the still human voice at the heart of Billy's adventures Later in his career Beck like his friend and colleague Will Eisner developed a theory of comic art expressed in numerous articles essays and interviews A decade after Fawcett Publications settled a copyright infringement lawsuit with Superman's publisher Beck and Binder became legendary celebrated figures in comic book fandom of the 1960s What Beck Binder and their readers share in common is a fascination with nostalgia which has shaped the history of comics and comics scholarship in the United States Billy Batson's America with its cartoon villains and talking tigers remains a living archive of childhood memories so precious but elusive as strange and mysterious as the boy's first visit to the subway tunnel Taking cues from Beck's theories of art and from the growing field of memory studies *Captain Marvel and the Art of Nostalgia* explains why we read comics and more significantly how we remember them and the America that dreamed them up in the first place *A War Guest in Canada* W.A.B.
