interactions between visitors and the people living in these former fighting zones Focusing on French and Belgian sites Connelly nevertheless provides insight into other major battlefields fought over by troops from the British Empire Extensively illustrated with black and white photographs Postcards from the Western Front offers a groundbreaking perspective on landscapes that rarely left anyone whether tourist inhabitant veteran or pilgrim unmoved Wicomico County and Delmar in Vintage Postcards John E. Jacob,1999 From the 1890s through the 1920s the postcard was an extraordinarily popular means of communication and many of the postcards produced during this golden age can today be considered works of art Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes documenting local landmarks and assembling crowds of local children only too happy to pose for a picture These images printed as postcards and sold in general stores across the country survive as telling reminders of an important era in America s history This fascinating new history of Wicomico County and Delmar showcases more than two hundred of the best vintage postcards available *Pekin and Tremont, Illinois in Vintage Postcards* Donald L.
