Douglas Messerli *Pennsylvania Collection Agency* Michael Burkard,2001 Poetry The lost book PENNSYLVANIA COLLECTION AGENCY the ninth book from Michael Burkard is comprised of poems written in 1986 but withheld from publication until now This volume utilizes the unifying structure of a single year in the poet s life as an organizing principle Burkard has been quietly accumulating one of the most fascinating verse biographies we have and in this book we visit old territories in unexpectedly candid poems about alcoholism beauty and the poet s childhood Burkard further emblazons the arc of theme and language that is beginning to coalesce into one of the most distinguishable formal and emotional landscapes in contemporary poetry David Dodd Lee **An Archaeological History of Montserrat in the West Indies** John F. Cherry,Krysta Ryzewski,2020-02-28 Montserrat is a small island in the Leeward islands of the eastern Caribbean and at present a British Overseas Territory It has suffered greatly in recent times first from the devastations of Hurricane Hugo in 1989 and since 1995 from the still ongoing eruption of the Soufriere Hills volcano that has caused two thirds of the island s population to emigrate and left half the island a dangerous exclusion zone Archaeological research here began only in the late 1970s but work over the past four decades has now made it possible to present an archaeological history of Montserrat from the earliest known traces of human activity on the island about 5 000 years ago to the present This book draws on all the available archaeological evidence including that from the co authors own island wide survey and excavation project since 2010 as well as newly available archival documents to trace this little island s long history and heritage This is not the story of an isolated and remote island Montserrat is shown rather to be a place intricately connected to the flows of people and goods that have travelled between islands and across the Atlantic at various points in time both Amerindian and historical Despite its small size and seeming irrelevance Montserrat has in fact always been networked into regional and global systems of connectivity An underlying theme of this volume is resilience It presents insights from the archaeological and documentary evidence on how the island s inhabitants have coped with often adverse conditions throughout the course of its history hurricanes volcanic eruptions slavery disease invasions and impoverishment all while remaining proudly connected to heritage that celebrates the accomplishments of island residents Self-portrait as Jerry Quarry Vito Aiuto,2002 Poetry The monsters and heroes sometimes inseparable that populate this book rise up are beaten down and rise up again in a raw and flooded mythos With a darting weaving musicality sometimes talky sometimes demonically convoluted these poems roar and splinter If they weren t so funny they d be terrifying and they are If they weren t so terrifying they d be funny and they are Vito Aiuto s voice comes to us from the epicenter of a concussive beauty Get ready to be hit Dean Young **The Immigration and Naturalization Service** United States.
