Smith Wigglesworth on God's Power Smith Wigglesworth,2000-06-15 An encounter with Smith Wigglesworth was an unforgettable experience This seems to be the universal reaction of all who knew him or heard him speak Wigglesworth was a simple man a former plumber who was used in an extraordinary way by our extraordinary God During his forty years of ministry thousands of people came to salvation received the baptism in the Holy Spirit and were miraculously healed These miracles included the restoration of hearing and sight the creative formation of missing limbs the disappearance of cancerous growths the recovery of mental wholeness by the violently insane and the raising of several people from the dead The miracle working power of his ministry is captured in this classic collection of Wigglesworth s sermons and Bible studies Despite the passing years they still retain the spontaneous supernatural anointing that would cause Wigglesworth to loudly proclaim his favorite phrase Only believe *The Supernatural and the Circuit Riders* Rimi Xhemajli,2021-06-22 In *The Supernatural and the Circuit Riders* Rimi Xhemajli shows how a small but passionate movement grew and shook the religious world through astonishing signs and wonders Beginning in the late eighteenth century early American Methodist preachers known as circuit riders were appointed to evangelize the American frontier by presenting an experiential gospel one that featured extraordinary phenomena that originated from God s Spirit In employing this evangelistic strategy of the gospel message fueled by supernatural displays Methodism rapidly expanded Despite beginning with only ten official circuit riders in the early 1770s by the early 1830s circuit riders had multiplied and caused Methodism to become the largest American denomination of its day In investigating the significance of the supernatural in the circuit rider ministry Xhemajli provides a new historical perspective through his eye opening demonstration of the correlation between the supernatural and the explosive membership growth of early American Methodism which fueled the Second Great Awakening In doing so he also prompts the consideration of the relevance and reproduction of such acts in the American church today
