Smoke Mark Rucker, Peter C. Simons, 2019-03-26 Widely acknowledged as the preeminent gathering of baseball scholars the annual Cooperstown Symposium on Baseball and American Culture has made significant contributions to baseball research This collection of 15 new essays selected from the 2017 and the 2018 symposia examines topics whose importance extend beyond the ballpark Presented in six parts the essays explore baseball's cultural and social history and analyze the tools that encourage a more sophisticated understanding of baseball as a game and enterprise **Early U.S. Blackball Teams in Cuba** Severo Nieto, 2008-02-28 Before they were the stars of the Negro Leagues before the Negro Leagues even began outstanding African American players like Rube Foster Charles Grant and Pop Lloyd competed against the leading players of Cuba In the early years of the 20th century winners of the colored championship in the United States traveled to Cuba to compete against the top Cuban League teams amateur clubs and All Star squads Part of the American Series that brought teams from the major minor and Negro leagues to the island nation for more than six decades these games are arguably the most important in a baseball relationship that was vital to the game's history Since the end of Cuban professional baseball in 1961 games like those of the American Series have become a distant memory Scores and statistics are difficult to track down and few could say who played in those long ago contests Fortunately dedicated baseball historian Severo Nieto has spent a lifetime accumulating and preserving the facts and figures of Cuban baseball Here he presents box scores statistics rosters and summaries of the games as well as biographical information for the players of the American Series from 1900 through 1945 The Quality of Home Runs Thomas F. Bjarkman,2018-12-07 Few political figures of the modern age have been so vilified as Fidel Castro and both the vilification and worship generated by the Cuban leader have combined to distort the true image of Castro The baseball myths attached to Fidel have loomed every bit as large as the skewed political notions that surround him Castro was never a major league pitching prospect nor did he destroy the Cuban national pastime in 1962 In Fidel Castro and Baseball The Untold Story Peter C Bjarkman dispels numerous myths about the Cuban leader and his association with baseball In this groundbreaking study Bjarkman establishes how Fidel constructed rather than dismantled Cuba s true baseball Golden Age one that followed rather than preceded the 1959 revolution Bjarkman also demonstrates that Fidel was not at all unique in politicizing baseball as often maintained since the island sport traces its roots to the 19th century revolution Fidel s avowed devotion to a non materialist society would ultimately sow the seeds of collapse for the baseball empire he built over more than a half century just as the same obsession would finally dismantle the larger social revolution he had painstakingly authored A fascinating look at a controversial figure and his impact on a major sport this volume reveals many intriguing insights about Castro and how his love of the game was tied to Cuba s identity Fidel Castro and Baseball will appeal to fans of the sport as well as to those interested in Cuba s enduring association with baseball Early Black Baseball in Minnesota Todd

Wilson,2016-04-05 From 1900 through the 1940s Latino baseball players suffered discrimination poor accommodations low pay and homesickness to play a game they loved Those who were both talented and light skinned enough to make it to the majors were mocked for being foreign Those in the Negro Leagues were like African American ballplayers segregated and largely ignored by the public and major league scouts Building on the work of researchers who focused on the seasons and careers of these pioneer athletes Nick Wilson draws on primary documents and interviews to round out our knowledge of the players as people Jose Mendez Miguel Gonzalez Luis Tiant Sr Martin Dihigo Rodolfo Fernandez Roberto Ortiz Cristobal Torriente Hiram Bithorn and Pedro Preston Gomez are only a few examples of the players
