God think of Homosexuality After all He created it He also created heterosexuality This short book is an attempt to find out what God thinks and so we use as much scripture as we can to find out Objectivity is difficult when you are related to the subject That has been the aim of the author Also there is a willingness to abide by the conclusions The author invites you on a journey through the Bible riding and abiding on the subject of sexuality *Books In Print 2004-2005* Ed Bowker Staff, Staff

Thompson,2003-06 The author dares the reader after reading his book not to believe in the here after He feels you will have to sit down and strongly reflect on the subject and pass judgment on it if you never have before and that your curiosity will be aroused as never before His short ghost stories are very convincing that there is such a life because they show the interaction of humans and the other world after death It will unfold what is mystifying unclear baffling and unexplainable It will clarify what the scientific world is powerless to explain You will read about people who have great psychic abilities and mediums who join the two worlds together It will fortify your beliefs that there is something more than this life and that you are watched and helped by those from the beyond     **Parables from (a Not Quite) Paradise, NV 89154** William N.
