Sir Gawain and the Green Knight Marie Borroff, 1962 **Sir Gawain and the Green Knight** Marie Borroff, Laura L. Howes, 2010 Presents a scholarly translation an essay on the metrical form translator s notes and explanatory annotations of the canonical Arthurian romance **Sir Gawain and the Green Knight** Marie Borroff, 2001 Provides translations of Sir Gawain and the Green Knight Pearl and Patience *Sir Gawain and the Green Knight* , 1959-11-30 The inspiration for the major motion picture The Green Knight starring Dev Patel Be prepared to perform what you promised Gawain Seek faithfully till you find me A New Year s feast at King Arthur s court is interrupted by the appearance of a gigantic Green Knight resplendent on horseback He challenges any one of Arthur s men to behead him provided that if he survives he can return the blow a year later Sir Gawain accepts the challenge and decapitates the knight but the mysterious warrior cheats death and vanishes bearing his head with him The following winter Gawain sets out to find the Knight in the wild Northern lands and to keep his side of the bargain One of the great masterpieces of Middle English poetry Sir Gawain and the Green Knight magically combines elements of fairy tale and heroic sagas with the pageantry chivalry and courtly love of medieval Romance Brian Stone s evocative translation is accompanied by an introduction that examines the Romance genre and the poem s epic and pagan sources This edition also includes essays discussing the central characters and themes theories about authorship and Arthurian legends and suggestions for further reading and notes For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators Sir Gawain and the Green Knight William Raymond Johnston Barron, 1998 This edition of one of the classic Middle English romances gives the original text side by side with a sensitive modern translation Sir Gawain and The Green Knight Helen Cooper, 2008-09-11 Sir Gawain and The Green Knight with its intricate plot of enchantment and betrayal is probably the most skilfully told story in the whole of the English Arthurian cycle Originating from the north west midlands of England it is based on two separate and very ancient Celtic motifs of the Beheading and the Exchange of Winnings brought together by the anonymous 14th century author Acclaimed poet Keith Harrison s new translation uses a modern alliterative pattern which subtly echoes the music of the original at the same time as it strives for fidelity This is the most generously annotated edition available complete with a detailed introduction which situates the work in the context of Arthurian Romance as well as analysing its poetics and narrative structure **The Gawain Poet** , 2011 Of the five poems contained in this book two are acknowledged masterpieces The plot of Sir Gawain and the Green Knight an Arthurian romance brilliantly interweaves elements of suspense and high comedy Sir Gawain and the Green Knight Anonymous, 2012-10-19 Sir Gawain and the Green Knight is a masterpiece of medieval English literature

and one of the finest Arthurian tales in any language Though its ingenious plotting and verbal artistry continue to dazzle readers it is written in a challenging regional dialect and uses many words that were already archaic when the poem was written in the late fourteenth century This edition is designed to make the poem in its original Middle English accessible to students and general readers Following standards adopted for editing other Middle English poets the edition lightly normalizes spellings to make words more recognizable for a modern audience Extensive marginal glossing of difficult words thorough on page explanatory notes and a comprehensive glossary offer further support for readers The historical appendices include other examples of medieval romance from France and Britain **Sir Gawain and the Green Knight** R. A. Waldron, 1970 Chrysanthemum loves her name until she starts going to school and the other children make fun of it

Contradictions: From Beowulf to Chaucer Theodore M. Andersson, 2016-12-05 This volume brings together a series of key essays by Larry D Benson well known for his work in editing the Riverside Chaucer Of the studies selected the opening three deal with Old English recasting the possibilities for the critical study of Beowulf above all the relation between oral and written literary production The following ten essays turn to Middle English literature with the focus first on Chaucer and the evolution of his works and his language then on the social and cultural context of medieval chivalric texts Throughout Professor Benson approaches his subjects with a skeptical intent even a seeming contrariness in seeking to contradict received views but in fact with the purpose of questioning in order to understand more deeply Scattered in their original publications and with one hitherto unpublished together these studies present a powerful argument for this questioning approach to fundamental issues and constitute a major contribution to the study of the literary and cultural history of the medieval world Larry D Benson is Francis Lee Higginson Professor of English Harvard University
