

Sir Thomas Beecham The Man And The Music

Stephen H. Smith

Sir Thomas Beecham The Man And The Music:

Sir Thomas Beecham Alan Blackwood,1994 Rather than retelling all the well known stories and witticisms which have been repeated many times elsewhere Alan Blackwood offers a detailed account of the life and achievements of this figure A conductor of genius perhaps the greatest that England has produced largely self taught a musician who enjoyed the affections and respect of almost all his colleagues Beecham was also an impresario of tireless energy and vision He was the founder of orchestras and opera companies and the vigorous promoter of then unfashionable composers like Richard Strauss and Delius He was also largely responsible for the revival of interest in Mozart after long years of neglect This chronicle of his eventful life confirms Beecham s place in British musical history and eminence achieved by few in this century **Sir Thomas Beecham** Thomas Beecham,John Amis, The New Statesman ,1929 **While Spring and Summer Sang: Thomas Beecham and the Music of Frederick Delius** Lyndon Jenkins,2017-07-05 Sir Thomas Beecham is often described as having championed the music of Frederick Delius and this is no exaggeration From the moment he heard Delius s music as a young man Beecham was captivated by its strange romantic beauty and its hold on him remained firm During the next 50 years he promoted Delius s music through a series of unrivalled performances unearthing early pieces arranging others and recording most of them sometimes more than once Lyndon Jenkins provides the first in depth study of this extraordinary creative relationship Starting with the first meeting of the composer and conductor in 1907 Jenkins charts Beecham s gradual introduction of Delius s compositions to British and foreign audiences the operatic premi s and revivals the Delius festivals that he organized in 1929 and 1946 and the formation of the Delius Trust upon the composer s death in 1934 Also described is Beecham s continuing crusade for Delius s music up to his own death in 1961 which included a model edition of the scores a biography and an internationally celebrated recorded legacy The book includes a critical discography Lyndon Jenkins provides a vivid account of an achievement that remains without parallel in the history of British music Albion's Glory Stephen H. Smith,2022-01-12 My book begins with a brief consideration of what we mean by English music and what factors are involved I explain the reasons behind my choice of composers for consideration and for the omissions from the survey The Oxford Handbook of Opera Helen M. Greenwald,2014-10-03 What IS opera Contributors to The Oxford Handbook of Opera respond to this deceptively simple question with a rich and compelling exploration of opera s adaption to changing artistic and political currents Fifty of the world s most respected scholars cast opera as a fluid entity that continuously reinvents itself in a reflection of its patrons audience and creators The synergy of power performance and identity recurs thematically throughout the volume s major topics Words Music and Meaning Performance and Production Opera and Society and Transmission and Reception Individual essays engage with repertoire from Monteverdi Mozart and Meyerbeer to Strauss Henze and Adams in studies of composition national identity transmission reception sources media iconography humanism the art of collecting theory analysis commerce singers directors criticism editions politics staging

race and gender The title of the penultimate section Opera on the Edge suggests the uncertainty of opera's future is opera headed toward catastrophe or have social and musical developments of the last hundred years stimulated something new and exciting and well operatic In an epilogue to the volume a contemporary opera composer speaks candidly about opera composition today The Oxford Handbook of Opera is an essential companion to scholars educators advanced students performers and knowledgeable listeners those who simply love opera The Musical Quarterly Oscar George Sonneck,1919

The Scottish Musical Magazine ,1919 **The British Musician and Musical News** Sydney Grew,1929 Includes music *LIFE* ,1945-01-29 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE.com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today's people and events They have free access to share print and post images for personal use
